Downloading the Presentation

Steps to installing the Laptop Sales Presentation from www.firstunitedamerican.com/office

1. Click the 'Download Laptop Sales Presentation' link

The screenshot shows the First United American website interface. At the top right, it says 'Wednesday April 22, 2009'. The main header includes 'First United American Life Insurance Company' and navigation links for 'Home', 'Service Center', and 'Downloads'. A left sidebar contains several menu items: 'GET FIRST UIA PRODUCT ANNOUNCEMENTS!', 'Agent Tools' (with links to AdCatalog, Advertising Guidelines, Do Not Call Search, Summit Online, and Service Center), 'Compliance Sheets' (with link to Health / Life Products), and 'Laptop Sales Presentation' (with links to Minimum Specifications, Download Instructions, and Download Laptop Sales Presentation). A red arrow points to the 'Download Laptop Sales Presentation' link. The main content area features a 'News' section with a headline '2010 Convention Destination — Miami's Fontainebleau Resort!' and a photograph of the resort building. To the right of the news section is a 'CONTACTS:' box with details for the Agent Service Center, Supply Order E-mail, Supply Order Fax, and Attn: Agency Supply.

Notes:

The icon below will be loaded on to your desktop. Double-clicking the icon will launch the presentation.

Future updates to the presentation, such as a product being released in a new state, will be sent via the Internet. The Presentation checks for updates each time you open the Presentation while the computer is connected to the Internet. We strongly recommend checking for updates at least once a week to insure that you are showing prospects the most current version of the presentation.
