## Prescription Drug Coverage

---

### This is your 2009 Evidence of Coverage (EOC)

---

#### Your Medicare Prescription Drug Coverage as a Member of UA Medicare Part D Prescription Drug Coverage

This booklet gives the details about your Medicare prescription drug coverage from **January 1 - December 31, 2009**, and explains how to get the prescription drugs you need. This is an important legal document. Please keep it in a safe place.

---

#### UA Medicare Part D Customer Service:

For help or information, please call Customer Service or go to our plan website at [www.uamedicarepartd.com](http://www.uamedicarepartd.com).

Calls to these numbers are free:

**Phone: 1-866-524-4169**

**TTY/TDD: 1-866-524-4170**

Hours of Operation: 8:00am to 8:00pm in your local time zone.

**This Plan is offered by United American Insurance Company, referred to throughout the EOC as "we," "us," or "our." UA Medicare Part D is referred to as "Plan" or "our Plan." Our organization contracts with the Federal government.**

Esta información está disponible en Español. Llame por favor al servicio de atención al cliente en el número enumerado arriba si usted necesita la información del plan en Español.

## Section 1: Introduction

---

### Thank you for being a member of our Plan!

This is your Evidence of Coverage, which explains how to get your Medicare drug coverage through our Plan, a Prescription Drug Plan (PDP)

This Evidence of Coverage, together with your enrollment form, riders, formulary, and amendments that we send to you, is our contract with you. The Evidence of Coverage explains your rights, benefits, and responsibilities as a member of our Plan and is in effect from January 1, 2009, – December 31, 2009. Our plan's contract with the Centers for Medicare and Medicaid Services (CMS) is renewed annually, and availability of coverage beyond the end of the current contract year is not guaranteed.

This Evidence of Coverage will explain to you:

- What is covered by our Plan and what isn't covered.
- How to get your prescriptions filled including some rules you must follow.
- What you will have to pay for your prescriptions.
- What to do if you are unhappy about something related to getting your prescriptions filled.
- How to leave our Plan, and other Medicare options that are available, including your options for continuing Medicare prescription drug coverage.

This section of the EOC has important information about:

- Eligibility requirements
- The geographic service area of our Plan
- Keeping your membership record up-to-date
- Materials that you will receive from our Plan
- Paying your plan premiums
- Late enrollment penalty
- Extra help available from Medicare to help pay your plan costs

### Eligibility Requirements

To be a member of our Plan, you must live in our service area and either be entitled to Medicare Part A, or enrolled in Medicare Part B. If you currently pay a premium for Medicare Part A and/or Medicare Part B, you must continue paying your premium in order to keep your Medicare Part A and/or Medicare Part B and remain a member of this plan.

### The geographic service area for our Plan.

United American Insurance Company offers coverage in all states (coverage in New York is provided by First United American Life Insurance Company). However, there may be cost or other differences between the plans we offer in each state. If you move out of the state where you live into a state that is still within our service area, you must call Customer Service in order to update your information. If you move into a state outside of our service area, you cannot remain a member of our plan. Please call Customer Service to find out if we have a plan in your new state.

### How do I keep my membership record up to date?

We have a membership record about you. Your membership record has information from your enrollment form, including your address and telephone number. Pharmacists and others use your membership record to know what drugs are covered for you. Section 3 tells how we protect the privacy of your personal health information.

Please help us keep your membership record up to date by telling Customer Service if there are changes to your name, address, or phone number, or if you go into a nursing home. Also, tell Customer Service about any changes in other health insurance coverage you have, such as from your employer, your spouse's employer, workers' compensation, Medicaid, or liability claims such as claims from an automobile accident.

## Materials that you will receive from our Plan

### Plan membership card

Now that you are a member of our Plan, you must use our membership card for prescription drug coverage at network pharmacies. You may need to continue to use your red, white, and blue Medicare card to get covered services and items under Original Medicare.

Please carry your membership card that we gave you at all times and remember to show your card when you get covered prescription drugs. If your membership card is damaged, lost, or stolen, call Customer Service right away and we will send you a new card.

There is a sample card in Section 10 to show you what it looks like.

### The Pharmacy Directory gives you a list of Plan network pharmacies.

As a member of our Plan we will send you a regional Pharmacy Directory, which gives you a list of our network pharmacies in your area at least every three years, and an update of our Pharmacy Directory every year that we don't send you a regional Pharmacy Directory. You can use it to find the network pharmacy closest to you. If you don't have the Pharmacy Directory, you can get a copy from Customer Service. They can also give you the most up-to-date information about changes in this Plan's pharmacy network, which can change during the year. You can also find this information on our website.

## Part D Explanation of Benefits

### *What is the Explanation of Benefits?*

The Explanation of Benefits (EOB) is a document you will get for each month you use your Part D prescription drug coverage. The EOB will tell you the total amount you have spent on your prescription drugs and the total amount we have paid for your prescription drugs. An Explanation of Benefits is also available upon request. To get a copy, please contact Customer Service.

### *What information is included in the Explanation of Benefits?*

Your Explanation of Benefits will contain the following information:

- A list of prescriptions you filled during the month, as well as the amount paid for each prescription;
- Information about how to request an exception and appeal our coverage decisions;
- A description of changes to the formulary that will occur at least 60 days in the future and affect the prescriptions you have gotten filled;
- A summary of your coverage this year, including information about:
  - o **Amount Paid For Prescriptions** - The amounts paid that count towards your initial coverage limit.
  - o **Total Out-Of-Pocket Costs That Count Toward Catastrophic Coverage** - The total amount you and/or others have spent on prescription drugs that count towards your qualifying for catastrophic coverage. This total includes the amounts spent for your co-payment or coinsurance, and payments made on covered Part D drugs after you reach the initial coverage limit. (This amount doesn't include payments made by your current or former employer/union, another insurance plan or policy, a government-funded health program or other excluded parties.)

### Your monthly plan premium

The monthly premium amount described in this section does not include any late enrollment penalty you may be responsible for paying (see "What is the Medicare Prescription Drug Plan late enrollment penalty?" later in this section for more information).

As a member of our Plan, you pay a monthly plan premium. (If you qualify for extra help from Medicare, called the Low-Income Subsidy or LIS, you may not have to pay for all or part of the monthly premium.)

### Your monthly premium for our plan is listed in Section 10.

If you get benefits from your current or former employer, or from your spouse's current or former employer, call the employer's benefits administrator for information about your monthly plan premium.

**Note:** If you are getting extra help (LIS) with paying for your drug coverage, the premium amount that you pay as a member of this Plan is listed in your "Evidence of Coverage Rider for those who Receive Extra Help for their Prescription Drugs". Or, if you are a member of a State Pharmacy Assistance Program (SPAP), you may get help paying your premiums. Please contact your SPAP at the phone number listed in Section 8 to determine what benefits are available to you.

## Monthly Plan Premium Payment Options

There are two ways to pay your monthly plan premium.

### Option one: Pay your plan premium directly to our Plan.

You may decide to pay your premium directly to our Plan with a check or money order.

For your convenience, we will provide premium statements approximately 10 days prior to the date each premium is due. Simply mail the return portion of each statement with your check made payable to United American Insurance Company, P.O. Box 268862, Oklahoma City, OK 73126-8862. Envelopes for mailing are provided with each statement. Premiums can be paid monthly, quarterly, semi-annually or annually for the 2009 plan year. Payments must be received by the 5th of the month to be reflected on the next month's statement.

**Instead of paying by check, you can have your premium automatically withdrawn via electronic funds transfer on a monthly basis from your bank account on the date you choose.** If you did not choose this option at the time of your enrollment, you may still choose this method. Just complete the bank draft authorization form found in your billing notice from us, or you can contact Customer Service and they will send you a form.

### Option two: You can have your monthly plan premium directly deducted from your monthly Social Security check.

Contact Customer service for more information on how to pay your premium this way.

**Note:** We don't recommend that you choose this option if you are receiving assistance for your premium payment from another payer, like a State Pharmaceutical Assistance Program (SPAP). (SPAPs have different names in different states. See Section 8 for the name, address and phone number for the SPAP in your area.) Social Security can only withhold the full amount of the premium and will not recognize any premium payments made by other payers as part of this process.

## Can your monthly plan premiums change during the year?

The monthly plan premium associated with this plan cannot change during the year. However, the amount you pay could change, depending on whether you become eligible for, or lose, extra help for your prescription drug costs. If our monthly plan premium changes for next year we will tell you in October and the change will take effect on January 1.

## What is the Medicare Prescription Drug Plan late enrollment penalty?

If you don't join a Medicare drug plan when you are first eligible, and/or you go without creditable prescription drug coverage for a continuous period of 63 days or more, you may have to pay a late enrollment penalty when you enroll in a plan later. The Medicare drug plan will let you know what the amount is and it will be added to your monthly premium. This penalty amount changes every year, and you will have to pay it as long as you have Medicare prescription drug coverage. However, if you qualify for extra help, you may not have to pay a penalty.

If you must pay a late enrollment penalty, your penalty is calculated when you first join a Medicare drug plan. To estimate your penalty, take 1% of the national base beneficiary premium for the year you join (in 2008, the national base beneficiary premium is \$27.93. This amount may change in 2009). Multiply it by the number of full months you were eligible to join a Medicare drug plan but didn't, and then round that amount to the nearest ten cents. This is your estimated penalty amount, which is added each month to your Medicare drug plan's premium for as long as you are in that plan.

If you disagree with your late enrollment penalty, you may be eligible to have it reconsidered (reviewed). Call Customer Service to find out more about the reconsideration process and how to ask for such a review.

### **You won't have to pay a late enrollment penalty if:**

- You had creditable prescription drug coverage (coverage that expects to pay, on average, at least as much as Medicare's standard prescription drug coverage)
- You had prescription drug coverage but you were not adequately informed that the coverage was not creditable (as good as Medicare's drug coverage)
- Any period of time that you didn't have creditable prescription drug coverage was less than 63 continuous days
- You lived in an area affected by Hurricane Katrina at the time of the hurricane (August 2005) AND you signed up for a Medicare prescription drug plan by December 31, 2006, AND you stay in a Medicare prescription drug plan
- You received or are receiving extra help

## What happens if you don't pay or are late with your monthly plan premiums?

If your plan premiums are late, we will tell you in writing that if you don't pay your monthly plan premium by a certain date, which includes a grace period, we will end your membership in our plan. Our Plan's grace period is 60 days.

Should you decide later to re-enroll in our Plan, or to enroll in another plan that we offer, you will have to pay any late monthly plan premiums that you didn't pay from your previous enrollment in our Plan.

## What extra help is available to help pay my plan costs?

Medicare provides "extra help" to pay prescription drug costs for people who have limited income and resources. Resources include your savings and stocks, but not your home or car. If you qualify, you will get help paying for your Medicare drug plan's monthly premium and prescription co-payments. If you qualify, this extra help will count toward your out-of-pocket costs.

### ***Do you qualify for extra help?***

People with limited income and resources may qualify for extra help one of two ways. The amount of extra help you get will depend on your income and resources.

1. **You automatically qualify for extra help and don't need to apply.** If you have full coverage from a state Medicaid program, get help from Medicaid paying your Medicare premiums (belong to a Medicare Savings Program), or get Supplemental Security Income benefits, you automatically qualify for extra help and do not have to apply for it. Medicare mails a letter to people who automatically qualify for extra help.
2. **You apply and qualify for extra help.** You may qualify if your yearly income in 2008 is less than \$15,600 (single with no dependents) or \$21,000 (married and living with your spouse with no dependents), and your resources are less than \$11,990 (single) or \$23,970 (married and living with your spouse). These resources include \$1,500 per person for burial expenses. Resources include your savings and stocks but not your home or car. **If you think you may qualify, call Social Security at 1-800-772-1213 (TTY users should call 1-800-325-0778) or visit [www.socialsecurity.gov](http://www.socialsecurity.gov) on the Web. You may also be able to apply at your State Medical Assistance (Medicaid) office.** After you apply, you will get a letter in the mail letting you know if you qualify and what you need to do next.

The above income and resource amounts are for 2008 and will change in 2009. If you live in Alaska or Hawaii, or pay at least half of the living expenses of dependent family members, income limits are higher.

### ***How do costs change when you qualify for extra help?***

If you qualify for extra help, we will send you by mail an "Evidence of Coverage Rider for those who Receive Extra Help Paying for their Prescription Drugs" that explains your costs as a member of our Plan. If the amount of your extra help changes during the year, we will also mail you an updated "Evidence of Coverage Rider for those who Receive Extra Help Paying for their Prescription Drugs".

### ***What if you believe you have qualified for extra help and you believe that you are paying an incorrect co-payment amount?***

If you believe you have qualified for extra help and you believe that you are paying an incorrect co-payment amount when you get your prescription at a pharmacy, our Plan has established a process that will allow you to either request assistance in obtaining evidence of your proper co-payment level, or, if you already have the evidence, to provide this evidence to us. Please contact Customer Service for specific instructions.

When we receive the evidence showing your co-payment level, we will update our system or implement other procedures so that you can pay the correct co-payment when you get your next prescription at the pharmacy. Please be assured that if you overpay your co-payment, we will reimburse you. Either we will forward a check to you in the amount of your overpayment or we will offset future co-payments. Of course, if the pharmacy hasn't collected a co-payment from you and is carrying your co-payment as a debt owed by you, we may make the payment directly to the pharmacy. If a state paid on your behalf, we may make payment directly to the state. Please contact Customer Service if you have questions.

## Important Information

We will send you a Coordination of Benefits (COB) Survey so that we can know what other drug coverage you have besides our Plan. Medicare requires us to collect this information from you, so when you get the survey, please fill it out and send it back. If you have additional drug coverage, you are required to provide that information to our Plan. The information you provide helps us calculate how much you and others have paid for your prescription drugs. In addition, if you lose or gain additional prescription drug coverage, please call Customer Service to update your membership records.

## Section 2: How You Get Prescription Drugs

---

### What do you pay for covered drugs?

The amount you pay for covered drugs is listed in Section 10.

### If you have Medicare and Medicaid

Medicare, not Medicaid, will pay for most of your prescription drugs. You will continue to get your health coverage under both Medicare and Medicaid as long as you qualify for Medicaid benefits.

### If you are a member of a State Pharmacy Assistance Program (SPAP)

If you are currently enrolled in an SPAP, you may get help paying your premiums and/or cost-sharing. Please contact your SPAP to determine what benefits are available to you. SPAPs have different names in different states. See Section 8 for the name and phone number for the SPAP in your area.

### What drugs are covered by this Plan?

#### *What is a formulary?*

A formulary is a list of the drugs that we cover. We will generally cover the drugs listed in our formulary as long as the drug is medically necessary, the prescription is filled at a network pharmacy and other coverage rules are followed. For certain prescription drugs, we have additional requirements for coverage or limits on our coverage. These requirements and limits are described later in this section under "Utilization Management."

The drugs on the formulary are selected by our Plan with the help of a team of health care providers. Both brand-name drugs and generic drugs are included on the formulary. A generic drug is a prescription drug that is approved by the Food and Drug Administration (FDA) as having the same active ingredient(s) as the brand-name drug. Generally, generic drugs cost less than brand-name drugs.

Not all drugs are covered by our plan. In some cases, the law prohibits Medicare coverage of certain types of drugs. (See Section 10 for more information about the types of drugs that are not normally covered under a Medicare Prescription Drug Plan.) In other cases, we have decided not to include a particular drug on our formulary.

In certain situations, prescriptions filled at an out-of-network pharmacy may also be covered. See information later in this section about filling a prescription at an out-of-network pharmacy.

#### *How do you find out what drugs are on the formulary?*

Each year, we send you an updated formulary so you can find out what drugs are on our formulary. You can get updated information about the drugs our Plan covers by visiting our website. You may also call Customer Service to find out if your drug is on the formulary or to request an updated copy of our formulary.

#### *What are drug tiers?*

Drugs on our formulary are organized into different drug tiers, or groups of different drug types. Your coinsurance or co-payment depends on which drug tier your drug is in.

You may ask us to make an exception (which is a type of coverage determination) to your drug's tier placement. See Section 5 to learn more about how to request an exception.

#### *Can the formulary change?*

We may make certain changes to our formulary during the year. Changes in the formulary may affect which drugs are covered and how much you will pay when filling your prescription. The kinds of formulary changes we may make include:

- Adding or removing drugs from the formulary
- Adding prior authorizations, quantity limits, and/or step-therapy restrictions on a drug
- Moving a drug to a higher or lower cost-sharing tier

If we remove drugs from the formulary, or add prior authorizations, quantity limits and/or step therapy restrictions on a drug or move a drug to a higher cost-sharing tier and you are taking the drug affected by the change, you will be permitted to continue taking that drug at the same level of cost-sharing for the remainder of the Plan year. However, if a brand name drug is replaced with a new generic drug, or our formulary is changed as a result of new information on a drug's safety or effectiveness, you may be affected by this change. We will notify you of the change at least 60 days before the date that the change becomes effective or provide you with a 60-day supply at the pharmacy. This will give you an opportunity to work with your physician to switch

to a different drug that we cover or request an exception. (If a drug is removed from our formulary because the drug has been recalled from the pharmacies, we will not give 60 days notice before removing the drug from the formulary. Instead, we will remove the drug immediately and notify members taking the drug about the change as soon as possible.)

### ***What if your drug isn't on the formulary?***

If your prescription isn't listed on your copy of our formulary, you should first check the formulary on our website which we update at least monthly (if there is a change). In addition, you may contact Customer Service to be sure it isn't covered. If Customer Service confirms that we don't cover your drug, you have two options:

1. You may ask your doctor if you can switch to another drug that is covered by us. If you would like to give your doctor a list of covered drugs that are used to treat similar medical conditions, please contact Customer Service or go to our formulary on our website.
2. You or your doctor may ask us to make an exception (a type of coverage determination) to cover your drug. If you pay out-of-pocket for the drug and request an exception that we approve, the Plan will reimburse you. If the exception isn't approved, you may appeal the Plan's denial. See Section 5 for more information on how to request an exception or appeal.

In some cases, we will contact you if you are taking a drug that isn't on our formulary. We can give you the names of covered drugs that also are used to treat your condition so you can ask your doctor if any of these drugs are an option for your treatment.

If you recently joined this Plan, you may be able to get a temporary supply of a drug you were taking when you joined our Plan if it isn't on our formulary.

### ***Transition Policy***

New members in our Plan may be taking drugs that aren't on our formulary or that are subject to certain restrictions, such as prior authorization or step therapy. Current members may also be affected by changes in our formulary from one year to the next. Members should talk to their doctors to decide if they should switch to a different drug that we cover or request a formulary exception in order to get coverage for the drug. See Section 5 under "What is an exception?" to learn more about how to request an exception. Please contact Customer Service if your drug is not on our formulary, is subject to certain restrictions, such as prior authorization or step therapy, or will no longer be on our formulary next year and you need help switching to a different drug that we cover or requesting a formulary exception.

During the period of time members are talking to their doctors to determine the right course of action, we may provide a temporary supply of the non-formulary drug if those members need a refill for the drug during the first 90 days of new membership in our Plan. If you are a current member affected by a formulary change from one year to the next, we will provide a temporary supply of the non-formulary drug if you need a refill for the drug during the first 90 days of the new plan year and provide you with the opportunity to request a formulary exception in advance for the following year.

When a member goes to a network pharmacy and we provide a temporary supply of a drug that isn't on our formulary, or that has coverage restrictions or limits (but is otherwise considered a "Part D drug"), we will cover a 34-day supply (unless the prescription is written for fewer days). After we cover the temporary 34-day supply, we generally will not pay for these drugs as part of our transition policy again. We will provide you with a written notice after we cover your temporary supply. This notice will explain the steps you can take to request an exception and how to work with your doctor to decide if you should switch to an appropriate drug that we cover.

If a new member is a resident of a long-term-care facility (like a nursing home), we will cover a temporary 34-day transition supply (unless the prescription is written for fewer days). If necessary, we will cover more than one refill of these drugs during the first 90 days a new member is enrolled in our Plan. If the resident has been enrolled in our Plan for more than 90 days and needs a drug that isn't on our formulary or is subject to other restrictions, such as step therapy or dosage limits, we will cover a temporary 34-day emergency supply of that drug (unless the prescription is for fewer days) while the new member pursues a formulary exception.

Please note that our transition policy applies only to those drugs that are "Part D drugs" and bought at a network pharmacy. The transition policy can't be used to buy a non-Part D drug or a drug out-of-network, unless you qualify for out-of-network access. See Section 10 for information about non-Part D drugs.

## **Drug Management Programs**

### ***Utilization management***

For certain prescription drugs, we have additional requirements for coverage or limits on our coverage. These requirements and limits ensure that our members use these drugs in the most effective way and also help us control drug plan costs. A team of doctors and/or pharmacists developed these requirements and limits for our Plan to help us provide quality coverage to our members. Please consult your copy of our formulary or the formulary on our website for more information about these requirements and limits.

The requirements for coverage or limits on certain drugs are listed as follows:

**Prior Authorization:** We require you to get prior authorization (prior approval) for certain drugs. This means that your provider will need to contact us before you fill your prescription. If we don't get the necessary information to satisfy the prior authorization, we may not cover the drug.

**Quantity Limits:** For certain drugs, we limit the amount of the drug that we will cover per prescription or for a defined period of time. For example, we will provide up to 34 tablets per prescription for LIPITOR. This may be in addition to a standard one month or three month supply.

**Step Therapy:** In some cases, we require you to first try one drug to treat your medical condition before we will cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, we may require your doctor to prescribe Drug A first. If Drug A does not work for you, then we will cover Drug B.

**Generic Substitution:** When there is a generic version of a brand-name drug available, our network pharmacies may recommend and/or provide you the generic version, unless your doctor has told us that you must take the brand-name drug and we have approved this request.

You can find out if the drug you take is subject to these additional requirements or limits by looking in the formulary or on our website, or by calling Customer Service. If your drug is subject to one of these additional restrictions or limits and your physician determines that you aren't able to meet the additional restriction or limit for medical necessity reasons, you or your physician may request an exception (which is a type of coverage determination). See Section 5 for more information about how to request an exception.

### ***Drug utilization review***

We conduct drug utilization reviews for all of our members to make sure that they are getting safe and appropriate care. These reviews are especially important for members who have more than one doctor who prescribes their medications. We conduct drug utilization reviews each time you fill a prescription and on a regular basis by reviewing our records. During these reviews, we look for medication problems such as:

- Possible medication errors
- Duplicate drugs that are unnecessary because you are taking another drug to treat the same medical condition
- Drugs that are inappropriate because of your age or gender
- Possible harmful interactions between drugs you are taking
- Drug allergies
- Drug dosage errors

If we identify a medication problem during our drug utilization review, we will work with your doctor to correct the problem.

### ***Medication therapy management programs***

We offer medication therapy management programs at no additional cost to members who have multiple medical conditions, who are taking many prescription drugs, and who have high drug costs. These programs were developed for us by a team of pharmacists and doctors. We use these medication therapy management programs to help us provide better coverage for our members. For example, these programs help us make sure that our members are using appropriate drugs to treat their medical conditions and help us identify possible medication errors.

We may contact members who qualify for these programs. If we contact you, we hope you will join so that we can help you manage your medications. Remember, you don't need to pay anything extra to participate.

If you are selected to join a medication therapy management program we will send you information about the specific program, including information about how to access the program.

### ***How does your enrollment in this Plan affect coverage for the drugs covered under Medicare Part A or Part B?***

Your enrollment in this Plan doesn't affect Medicare coverage for drugs covered under Medicare Part A or Part B. If you meet Medicare's coverage requirements, your drug will still be covered under Medicare Part A or Part B even though you are enrolled in this Plan. In addition, if your drug would be covered by Medicare Part A or Part B, it can't be covered by us even if you choose not to participate in Part A or Part B. Some drugs may be covered under Medicare Part B in some cases and through this Plan (Medicare Part D) in other cases but never both at the same time. In general, your pharmacist or provider will determine whether to bill Medicare Part B or us for the drug in question.

See your *Medicare & You* handbook for more information about drugs that are covered by Medicare Part A and Part B. The *Medicare & You* handbook can also be found on [www.medicare.gov](http://www.medicare.gov) or you can request a copy by 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

### ***If you have a Medigap (Medicare Supplement Insurance) policy with prescription drug coverage***

If you currently have a Medigap policy that includes coverage for prescription drugs, you must contact your Medigap issuer and tell them you have enrolled in our Plan. If you decide to keep your current Medigap policy, your Medigap issuer will remove the prescription drug coverage portion of your Medigap policy and adjust your premium.

Each year (prior to November 15), your Medigap insurance company must send you a letter explaining your options and whether the prescription drug coverage you have is creditable (whether it expects to pay, on average, at least as much as Medicare's standard prescription drug coverage) and how the removal of drug coverage from your Medigap policy will affect your premiums. If you didn't get this letter or can't find it, you have the right to get a copy from your Medigap insurance company.

### ***If you are a member of an employer or retiree group***

If you currently have other prescription drug coverage through your (or your spouse's) employer or retiree group, please contact your benefits administrator to determine how your current prescription drug coverage will work with this Plan. In general, if you are currently employed, the prescription drug coverage you get from us will be secondary to your employer or retiree group coverage.

Each year (prior to November 15), your employer or retiree group should provide a disclosure notice to you that indicates if your prescription drug coverage is creditable (meaning it expects to pay, on average, at least as much as Medicare's standard prescription drug coverage) and the options available to you. You should keep the disclosure notices that you get each year in your personal records to present to a Part D plan when you enroll to show that you have maintained creditable coverage. If you didn't get this disclosure notice, you may get a copy from the employer's or retiree group's benefits administrator or employer/union.

## **Using network pharmacies to get your prescription drugs**

With few exceptions, which are noted later in this section under "How do you fill prescriptions outside the network?", **you must use network pharmacies to get your prescription drugs covered.** A network pharmacy is a pharmacy that has a contract with us to provide your covered prescription drugs. The term "covered drugs" means all of the outpatient prescription drugs that are covered by our Plan. Covered drugs are listed in our formulary.

In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies. You aren't required to always go to the same pharmacy to fill your prescription; you may go to any of our network pharmacies. However, if you switch to a different network pharmacy than the one you have previously used, you must either have a new prescription written by a doctor or have the previous pharmacy transfer the existing prescription to the new pharmacy if any refills remain. To find a network pharmacy in your area, please review your Pharmacy Directory. You can also visit our website or call Customer Service.

### ***What if a pharmacy is no longer a network pharmacy?***

Sometimes a pharmacy might leave the Plan's network. If this happens, you will have to get your prescriptions filled at another Plan network pharmacy. Please refer to your Pharmacy Directory or call Customer Service to find another network pharmacy in your area.

### ***How do you fill a prescription at a network pharmacy?***

To fill your prescription, you must show your Plan membership card at one of our network pharmacies. If you don't have your membership card with you when you fill your prescription, you may have the pharmacy call 1-800-922-1557 to obtain the necessary information. If the pharmacy is unable to obtain the necessary information, you may have to pay the full cost of the prescription. If you pay the full cost of the prescription (rather than paying just your coinsurance or co-payment you may ask us to reimburse you for our share of the cost by submitting a claim to us. To learn how to submit a paper claim, please refer to the paper claims process described in the subsection below called "How do you submit a paper claim?"

### ***How do you fill a prescription through our Plan's network mail-order-pharmacy service?***

You may use our network mail-order-pharmacy service to fill prescriptions for "maintenance drugs." These are drugs that you take on a regular basis for a chronic or long-term medical condition.

When you order prescription drugs through our network mail-order-pharmacy service, you must order a 90 day supply of the drug.

Generally, it takes us 3 to 5 days to process your order and ship it to you. However, sometimes your mail order may be delayed. Make sure you have at least a 14-day supply of that medication on hand. If your mail-order shipment is delayed, please call 1-800-473-3455 (TTY/TDD users should call 1-800-716-3231). The customer service representative will work with you to acquire a supply of your prescription at your convenience. The customer service representative can contact the prescribing physician for an emergency supply, as well as the pharmacy of your choice, and will provide assistance in resolving utilization management rejections that may occur. We'll make sure you have your medication when you need it.

You are not required to use mail order prescription drug services to obtain an extended supply of maintenance medications. Instead, you have the option of using another network retail pharmacy in our network to obtain a supply of maintenance medications. Some of these retail pharmacies may agree to accept the mail order cost-sharing amount for an extended supply of medications, which may result in no out-of-pocket payment difference to you. Other retail pharmacies may not agree to accept the mail-order cost-sharing amounts for an extended supply of medications. In this case, you will be responsible for the difference in price. Your Pharmacy Directory contains information about retail pharmacies in our network at which you can obtain an extended supply of medications. You can also call Customer Service for more information.

To get order forms and information about filling your prescriptions by mail, visit our website or contact Customer Service. Please note that you must use our network mail-order service. Prescription drugs that you get through any other mail-order services are not covered.

## How do you fill prescriptions outside the network?

We have network pharmacies outside of the service area where you can get your drugs covered as a member of our Plan. Generally, we only cover drugs filled at an out-of-network pharmacy in limited, non-routine circumstances when a network pharmacy is not available. Below are some circumstances when we would cover prescriptions filled at an out-of-network pharmacy. Before you fill your prescription in these situations, call Customer Service to see if there is a network pharmacy in your area where you can fill your prescription. If you do go to an out-of-network pharmacy for the reasons listed below, you may have to pay the full cost (rather than paying just your coinsurance or co-payment) when you fill your prescription. You may ask us to reimburse you for our share of the cost by submitting a paper claim. You should submit a claim to us if you fill a prescription at an out-of-network pharmacy, as any amount you pay for a covered Part D drug will help you qualify for catastrophic coverage. To learn how to submit a paper claim, please refer to the paper claims process described in the subsection below called “How do you submit a paper claim?” If we do pay for the drugs you get at an out-of-network pharmacy, you may still pay more for your drugs than what you would have paid if you had gone to an in-network pharmacy.

### ***Other times you can get your prescriptions covered if you go to an out-of-network pharmacy***

We will cover your prescription at an out-of-network pharmacy if at least one of the following applies:

- If you are unable to obtain a covered drug in a timely manner within our service area because there is no network pharmacy within a reasonable driving distance that provides 24-hour service.
- If you are trying to fill a prescription drug that is not regularly stocked at an accessible network retail or mail-order pharmacy (including high cost and unique drugs).
- If you are getting a vaccine that is medically necessary but not covered by Medicare Part B and some covered drugs that are administered in your doctor’s office.

## How do you submit a paper claim?

You may submit a paper claim for reimbursement of your drug expenses in the situations described below:

- **Drugs purchased out-of-network.** When you go to a network pharmacy and use our membership card, your claim is automatically submitted to us by the pharmacy. However, if you go to an out-of-network pharmacy and attempt to use our membership card for one of the reasons listed in the section above (“How do you fill prescriptions outside the network?”), the pharmacy may not be able to submit the claim directly to us. When that happens, you will have to pay the full cost of your prescription and submit a paper claim to us. This type of reimbursement request is considered a request for a coverage determination and is subject to the rules contained in Section 5.
- **Drugs paid for in full when you don’t have your membership card.** If you pay the full cost of the prescription (rather than paying just your coinsurance or co-payment) because you don’t have your membership card with you when you fill your prescription, you may ask us to reimburse you for our share of the cost by submitting a paper claim to us. This type of reimbursement request is considered a request for a coverage determination and is subject to the rules contained in Section 5.
- **Drugs paid for in full in other situations.** If you pay the full cost of the prescription (rather than paying just your coinsurance or co-payment) because it is not covered for some reason (for example, the drug is not on the formulary or is subject to coverage requirements or limits) and you need the prescription immediately, you may ask us to reimburse you for our share of the cost by submitting a paper claim to us. In these situations, your doctor may need to submit additional documentation supporting your request. This type of reimbursement request is considered a request for a coverage determination and is subject to the rules contained in Section 5.
- **If you are retroactively enrolled in our Plan because you were Medicaid eligible.** As discussed in the section below (“Reimbursing plan members for coverage during retroactive periods”), you must submit a paper claim in order to be reimbursed for out-of-pocket expenses you had during this time period (and that were not reimbursed by other insurance). This type of reimbursement request is considered a request for a coverage determination and is subject to the rules contained in Section 5.”
- **Drugs purchased at a better cash price.** In rare circumstances when you are in a coverage gap or deductible period and have bought a covered Part D drug at a network pharmacy under a special price or discount card that is outside the Plan’s benefit, you may submit a paper claim to have your out-of-pocket expense count towards qualifying you for catastrophic coverage.
- **Copayments for drugs provided under a drug manufacturer patient assistance program.** If you get help from, and pay co-payments under, a drug manufacturer patient assistance program outside our Plan’s benefit, you may submit a paper claim to have your out-of-pocket expense count towards qualifying you for catastrophic coverage.

You may ask us to reimburse you for our share of the cost of the prescription by sending a written request to us. Although not required, you may use our reimbursement claim form to submit your written request. You can get a copy of our reimbursement claim form on our website or by calling Customer Service. **Please include your receipt(s) with your written request.**

Please send your written reimbursement request to the address listed under Part D Coverage Determinations in Section 8.

### **Reimbursing Plan Members for Coverage during Retroactive Periods**

If you were automatically enrolled in our Plan because you were Medicaid eligible, your enrollment in our Plan may be retroactive to when you became eligible for Medicaid. Your enrollment date may even have occurred last year. In order to be reimbursed for expenses you had during this time period (and that were not reimbursed by other insurance), you must submit a paper claim to us. (See “How do you submit a paper claim”) We have a seven-month special transition period that allows us to cover most of your claims from the effective date of your enrollment to the current time; however, depending upon your situation, you or Medicare may be responsible for any out-of-network or price differences. You may also be responsible for some claims outside of the seven-month special transition period if the claims are for drugs not on our formulary. For more information, please call Customer Service.

### **How does your prescription drug coverage work if you go to a hospital or skilled nursing facility?**

**If you are admitted to a hospital for a Medicare-covered stay,** Medicare Part A should generally cover the cost of your prescription drugs while you are in the hospital. Once you are released from the hospital, we will cover your prescription drugs as long as the drugs meet all of our coverage requirements (such as that the drugs are on our formulary, filled at a network pharmacy, and they aren’t covered by Medicare Part A or Part B.) We will also cover your prescription drugs if they are approved under the Part D coverage determination, exceptions, or appeals process.

**If you are admitted to a skilled nursing facility for a Medicare-covered stay:** After Medicare Part A stops paying for your prescription drug costs as part of Medicare-covered skilled nursing facility stay, we will cover your prescription drugs as long as the drug meets all of our coverage requirements (such as that the drugs are on our formulary, the skilled nursing facility pharmacy is in our pharmacy network and the drugs aren’t otherwise covered by Medicare Part A or Part B). When you enter, live in, or leave a skilled nursing facility, you are entitled to a special enrollment period, during which time you will be able to leave this Plan and join a Medicare Advantage Plan, new Prescription Drug Plan, or the Original Medicare Plan. See Section 6 for more information about leaving this Plan and joining a new Medicare Plan.

### ***Long term care (LTC) pharmacies***

Generally, residents of a long term care facility (like a nursing home) may get their prescription drugs through the facility’s LTC pharmacy or another network LTC pharmacy. Please refer to your Pharmacy Directory to find out if your LTC pharmacy is part of our network. If it isn’t, or for more information, contact Customer Service.

### ***Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies***

Only Native Americans and Alaska Natives have access to Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies through our Plan’s pharmacy network. Others may be able to use these pharmacies under limited circumstances (e.g., emergencies). Please refer to your Pharmacy Directory to find an I/T/U pharmacy in your area. For more information, contact Customer Service.

### ***Home infusion pharmacies***

Please refer to your Pharmacy Directory to find a home infusion pharmacy provider in your area. For more information, contact Customer Service.

### ***Some vaccines and drugs may be administered in your doctor’s office***

We may cover vaccines that are preventive in nature and aren’t already covered by Medicare Part B. This coverage includes the cost of vaccine administration. See Section 10 for more information about your costs for covered vaccinations.

## **Section 3: Your Rights and Responsibilities as a Member of our Plan**

---

### **Introduction to your rights and protections**

Since you have Medicare, you have certain rights to help protect you. In this section, we explain your Medicare rights and protections as a member of our Plan and we explain what you can do if you think you are being treated unfairly or your rights are not being respected.

#### ***Your right to be treated with dignity, respect and fairness***

You have the right to be treated with dignity, respect, and fairness at all times. Our Plan must obey laws that protect you from discrimination or unfair treatment. We don't discriminate based on a person's race, disability, religion, sex, sexual orientation, health, ethnicity, creed, age, or national origin. If you need help with communication, such as help from a language interpreter, please call Customer Service. Customer Service can also help if you need to file a complaint about access (such as wheel chair access). You may also call the Office for Civil Rights at 1-800-368-1019 or TTY/TDD 1-800-537-7697, or your local Office for Civil Rights.

#### ***Your right to the privacy of your medical records and personal health information***

There are federal and state laws that protect the privacy of your medical records and personal health information. We protect your personal health information under these laws. Any personal information that you give us when you enroll in this plan is protected. We will make sure that unauthorized people don't see or change your records. Generally, we must get written permission from you (or from someone you have given legal power to make decisions for you) before we can give your health information to anyone who isn't providing your care or paying for your care. There are exceptions allowed or required by law, such as release of health information to government agencies that are checking on quality of care. The Plan will release your information, including your prescription drug event data, to Medicare, which may release it for research and other purposes that follow all applicable Federal statutes and regulations.

The laws that protect your privacy give you rights related to getting information and controlling how your health information is used. We are required to provide you with a notice that tells about these rights and explains how we protect the privacy of your health information. You have the right to look at medical records held at the Plan, and to get a copy of your records (there may be a fee charged for making copies). You also have the right to ask us to make additions or corrections to your medical records (if you ask us to do this, we will review your request and figure out whether the changes are appropriate). You have the right to know how your health information has been given out and used for non-routine purposes. If you have questions or concerns about privacy of your personal information and medical records, please call Customer Service.

#### ***You have the right to timely access to your prescriptions at any network pharmacy***

#### ***Your right to use advance directives (such as a living will or a power of attorney)***

You have the right to ask someone such as a family member or friend to help you with decisions about your health care. Sometimes, people become unable to make health care decisions for themselves due to accidents or serious illness. If you want to, you can use a special form to give someone the legal authority to make decisions for you if you ever become unable to make decisions for yourself. You also have the right to give your doctors written instructions about how you want them to handle your medical care if you become unable to make decisions for yourself. The legal documents that you can use to give your directions in advance in these situations are called "advance directives." There are different types of advance directives and different names for them. Documents called "living will" and "power of attorney for health care" are examples of advance directives.

If you want to have an advance directive, you can get a form from your lawyer, from a social worker, or from some office supply stores. You can sometimes get advance directive forms from organizations that give people information about Medicare. Regardless of where you get this form, keep in mind that it is a legal document. You should consider having a lawyer help you prepare it. It is important to sign this form and keep a copy at home. You should give a copy of the form to your doctor and to the person you name on the form as the one to make decisions for you if you can't. You may want to give copies to close friends or family members as well.

If you know ahead of time that you are going to be hospitalized, and you have signed an advance directive, take a copy with you to the hospital. If you are admitted to the hospital, they will ask you whether you have signed an advance directive form and whether you have it with you. If you have not signed an advance directive form, the hospital has forms available and will ask if you want to sign one.

Remember, it is your choice whether you want to fill out an advance directive (including whether you want to sign one if you are in the hospital). According to law, no one can deny you care or discriminate against you based on whether or not you have signed an advance directive. If you have signed an advance directive, and you believe that a doctor or hospital hasn't followed the instructions in it, you may file a complaint with your State Department of Health.

#### ***Your right to get information about our Plan***

You have the right to get information from us about our Plan. This includes information about our financial condition, and how our Plan compares to other health plans. To get any of this information, call Customer Service.

### ***Your right to get information in other formats***

You have the right to get your questions answered. Our plan must have individuals and translation services available to answer questions from non-English speaking beneficiaries, and must provide information about our benefits that is accessible and appropriate for persons eligible for Medicare because of disability. If you have difficulty obtaining information from your plan based on language or a disability, call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

### ***Your right to get information about our network pharmacies***

You have the right to get information from us about our network pharmacies. To get this information, call Customer Service.

### ***Your right to get information about your prescription drugs and costs***

You have the right to an explanation from us about any prescription drugs not covered by our Plan. We must tell you in writing why we will not pay for or approve a prescription drug, and how you can file an appeal to ask us to change this decision. See Section 5 for more information about filing an appeal. You also have the right to this explanation even if you obtain the prescription drug from a pharmacy not affiliated with our organization. You also have the right to receive an explanation from us about any utilization-management requirements, such as step therapy or prior authorization, which may apply to your plan. Please review our formulary website or call Customer Service for more information.

### ***Your right to make complaints***

You have the right to make a complaint if you have concerns or problems related to your coverage. See Section 4 and Section 5 for more information about complaints. If you make a complaint, we must treat you fairly (i.e., not retaliate against you) because you made a complaint. You have the right to get a summary of information about the appeals and grievances that members have filed against our Plan in the past. To get this information, call Customer Service.

## **How to get more information about your rights**

If you have questions or concerns about your rights and protections, you can

1. Call Customer Service at the number on the cover of this booklet.
2. Get free help and information from your State Health Insurance Assistance Program (SHIP). Contact information for your SHIP is in Section 8 of this booklet.
3. Visit [www.medicare.gov](http://www.medicare.gov) to view or download the publication "Your Medicare Rights & Protections."
4. Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

## **What can you do if you think you have been treated unfairly or your rights are not being respected?**

If you think you have been treated unfairly or your rights have not been respected, you may call Customer Service or:

- If you think you have been treated unfairly due to your race, color, national origin, disability, age, or religion, you can call the Office for Civil Rights at 1-800-368-1019 or TTY/TDD 1-800-537-7697, or call your local Office for Civil Rights.
- If you have any other kind of concern or problem related to your Medicare rights and protections described in this section, you can also get help from your SHIP.

## **Your responsibilities as a member of our Plan include:**

- Getting familiar with your coverage and the rules you must follow to get care as a member. You can use this booklet to learn about your coverage, what you have to pay, and the rules you need to follow. Call Customer Service if you have questions.
- Using all of your insurance coverage. If you have additional prescription drug coverage besides our Plan, it is important that you use your other coverage in combination with your coverage as a member of our Plan to pay your prescription drug expenses. This is called "coordination of benefits" because it involves coordinating all of the drug benefits that are available to you.
- **You are required to tell our Plan if you have additional drug coverage. Call Customer Service.**
- Notifying providers when seeking care (unless it is an emergency) that you are enrolled in our Plan and you must present your plan membership card to the provider.
- Giving your doctor and other providers the information they need to care for you, and following the treatment plans and instructions that you and your doctors agree upon. Be sure to ask your doctors and other providers if you have any questions and have them explain your treatment in a way you can understand.
- Paying your plan premiums and coinsurance or co-payment for your covered services. You must pay for services that aren't covered.
- Notifying us if you move. If you move within our service area, we need to keep your membership record up-to-date. If you move outside of our plan service area, you cannot remain a member of our plan, but we can let you know if we have a plan in that area.
- Letting us know if you have any questions, concerns, problems, or suggestions. If you do, please call Customer Service.

## Section 4: How to File a Grievance

---

### What is a Grievance?

A grievance is any complaint, other than one that involves a request for an initial determination or an appeal as described in Section 5 of this manual.

Grievances do not involve problems related to approving or paying for Part D drugs.

If we will not pay for or give you the Part D drugs you want, you must follow the rules outlined in Section 5.

### ***What types of problems might lead to your filing a grievance?***

- Problems with the service you receive from Customer Service.
- If you feel that you are being encouraged to leave (disenroll from) the Plan.
- If you disagree with our decision not to give you a “fast” decision or a “fast” appeal. We discuss these fast decisions and appeals in Section 5.
- We don’t give you a decision within the required time frame.
- We don’t give you required notices.
- You believe our notices and other written materials are hard to understand.
- Waiting too long for prescriptions to be filled.
- Rude behavior by network pharmacists or other staff.
- We don’t forward your case to the Independent Review Entity if we do not give you a decision on time.

If you have one of these types of problems and want to make a complaint, it is called “filing a grievance.”

### ***Who may file a grievance***

You or someone you name may file a grievance. The person you name would be your “representative.” You may name a relative, friend, lawyer, advocate, doctor, or anyone else to act for you. Other persons may already be authorized by the Court or in accordance with State law to act for you. If you want someone to act for you who is not already authorized by the Court or under State law, then you and that person must sign and date a statement that gives the person legal permission to be your representative. To learn how to name your representative, you may call Customer Service.

### ***Filing a grievance with our Plan***

If you have a complaint, you or your representative may call the phone number for Part D Grievances (for complaints about Part D drugs) in Section 8. We will try to resolve your complaint over the phone. If you ask for a written response, file a written grievance, or your complaint is related to quality of care, we will respond in writing to you. If we cannot resolve your complaint over the phone, we have a formal procedure to review your complaints. We call this formal procedure UA Medicare Part D’s Grievance Review. When your grievance cannot be resolved by phone, you should write to UA Medicare Part D Grievance Review, P. O. Box 8080, McKinney, TX 75070. Your letter should state the nature of the grievance including the name of the person or pharmacy with whom you have a grievance and the date of the occurrence, or other details as appropriate.

The grievance must be submitted within 60 days of the event or incident. We must address your grievance as quickly as your case requires based on your health status, but no later than 30 days after receiving your complaint. We may extend the time frame by up to 14 days if you ask for the extension, or if we justify a need for additional information and the delay is in your best interest. If we deny your grievance in whole or in part, our written decision will explain why we denied it, and will tell you about any dispute resolution options you may have.

### ***Fast Grievances***

In certain cases, you have the right to ask for a “fast grievance,” meaning we will answer your grievance within 24 hours. We discuss situations where you may request a fast grievance in Section 5.

### ***For quality of care problems, you may also complain to the QIO***

You may complain about the quality of care received under Medicare. You may complain to us using the grievance process, to the Quality Improvement Organization (QIO), or both. If you file with the QIO, we must help the QIO resolve the complaint. See Section 8 for more information about the QIO and for the name and phone number of the QIO in your state.

## Section 5: Complaints and Appeals about your Part D Prescription Drug(s)

---

### Introduction

This section explains how you ask for coverage of your Part D drug(s) or payments in different situations. These types of requests and complaints are discussed below in Part 1.

Other complaints that do not involve the types of requests or complaints discussed below in Part 1 are considered **grievances**. You would file a grievance if you have any type of problem with us or one of our network providers that does not relate to coverage for Part D drugs. For more information about grievances, see Section 4.

### PART 1. Requests for Part D drugs

This part explains what you can do if you have problems getting the Part D drugs you request, or payment (including the amount you paid) for a Part D drug you already received.

If you have problems getting the Part D drugs you need, or payment for a Part D drug you already received, you must request an initial determination with the plan.

### Initial Determinations

The initial determination we make is the starting point for dealing with requests you may have about covering a Part D drug you need, or paying for a Part D drug you already received. Initial decisions about Part D drugs are called “coverage determinations.” With this decision, we explain whether we will provide the Part D drug you are requesting, or pay for the Part D drug you already received.

The following are examples of requests for initial determinations:

- You ask us to pay for a prescription drug you have received.
- You ask for a Part D drug that is not on your plan sponsor’s list of covered drugs (called a “formulary”). This is a request for a “formulary exception.” **See “What is an exception?” below for more information about the exceptions process.**
- You ask for an exception to our utilization management tools – such as prior authorization, dosage limits, quantity limits, or step therapy requirements. Requesting an exception to a utilization management tool is a type of formulary exception. **See “What is an exception?” below for more information about the exceptions process.**
- You ask for a non-preferred Part D drug at the preferred cost-sharing level. This is a request for a “tiering exception.” **See “What is an exception?” below for more information about the exceptions process.**
- You ask us to pay you back for the cost of a drug you bought at an out-of-network pharmacy. In certain circumstances, out-of-network purchases, including drugs provided to you in a physician’s office, will be covered by the Plan. See “Filling Prescriptions Outside of Network” in Section 2 for a description of these circumstances.

### What is an exception?

An exception is a type of initial determination (also called a “coverage determination”) involving a Part D drug. You or your doctor may ask us to make an exception to our Part D coverage rules in a number of situations.

- You may ask us to cover your drug even if it is not on our formulary. Excluded drugs cannot be covered by a Part D plan.
- You may ask us to waive coverage restrictions or limits on your drug. For example, for certain drugs, we limit the amount of the drug that we will cover. If your drug has a quantity limit, you may ask us to waive the limit and cover more. *See Section 2 (“Utilization Management”) to learn more about our additional coverage restrictions or limits on certain drugs.*
- You may ask us to provide a higher level of coverage for your drug. If your drug is contained in our non-preferred tier (Tier 3), you may ask us to cover it at the cost-sharing amount that applies to drugs in the preferred tier (Tier 2) instead. This would lower the co-payment amount you must pay for your drug. Please note, if we grant your request to cover a drug that is not on our formulary, you may not ask us to provide a higher level of coverage for the drug. Also, you may not ask us to provide a higher level of coverage for drugs that are in the Specialty Brand tier (Tier 4).

Generally, we will only approve your request for an exception if the alternative drugs included on the Plan formulary or the drug in the preferred tier would not be as effective in treating your condition and/or would cause you to have adverse medical effects.

**Your doctor must submit a statement supporting your exception request. In order to help us make a decision more quickly, the supporting medical information from your doctor should be sent to us with the exception request.**

If we approve your exception request, our approval is valid for the remainder of the Plan year, so long as your doctor continues to prescribe the drug for you and it continues to be safe for treating your condition. If we deny your exception request, you may appeal our decision.

**Note: If we approve your exception request for a non-formulary drug, you cannot request an exception to the co-payment or coinsurance amount we require you to pay for the drug.**

You may call us at the phone number shown under **Part D Coverage Determinations** in Section 8 to ask for any of these requests.

### ***Who may ask for an initial determination?***

You, your prescribing physician, or someone you name may ask us for an initial determination. The person you name would be your “appointed representative.” You may name a relative, friend, advocate, doctor, or anyone else to act for you. Other persons may already be authorized under State law to act for you. If you want someone to act for you who is not already authorized under State law, then you and that person must sign and date a statement that gives the person legal permission to be your appointed representative. If you are requesting Part D drugs, this statement must be sent to us at the address or fax number listed under “**Part D Coverage Determinations.**” To learn how to name your appointed representative, you may call Customer Service.

You also have the right to have a lawyer act for you. You may contact your own lawyer, or get the name of a lawyer from your local bar association or other referral service. There are also groups that will give you free legal services if you qualify.

### **Asking for a “standard” or “fast” initial determination**

A decision about whether we will give you, or pay for, the Part D drug you are requesting can be a “standard” decision that is made within the standard time frame, or it can be a “fast” decision that is made more quickly. A fast decision is also called an “expedited” decision.

#### ***Asking for a standard decision***

To ask for a standard decision for a Part D drug you, your doctor, or your representative should call, fax, or write us at the numbers or address listed under **Part D Coverage Determinations** (for appeals about Part D drugs) in Section 8. Our normal business hours are from 8:00am to 8:00pm in your local time zone. If you are requesting a decision outside of normal business hours, be sure to call (not fax) us at 1-800-753-2851, and listen to the recording for further instructions.

#### ***Asking for a fast decision***

You may ask for a fast decision **only** if you or your doctor believe that waiting for a standard decision could seriously harm your health or your ability to function. (Fast decisions apply only to requests for benefits that you have not yet received. You cannot get a fast decision if you are asking us to pay you back for a benefit that you already received.)

If you are requesting a Part D drug that you have not yet received, you, your doctor, or your representative may ask us to give you a fast decision by calling, faxing, or writing us at the numbers or address listed under **Part D Coverage Determinations** for appeals about Part D drugs in Section 8. Our normal business hours are from 8:00am to 8:00pm in your local time zone. If you are requesting a decision outside of normal business hours, be sure to call (not fax) us at 1-800-753-2851, and listen to the recording for further instructions.

Be sure to ask for a “fast,” or “expedited” review. If your doctor asks for a fast decision for you, or supports you in asking for one, and the doctor indicates that waiting for a standard decision could seriously harm your health or your ability to function, we will automatically give you a fast decision.

If you ask for a fast decision without support from a doctor, we will decide if your health requires a fast decision. If we decide that your medical condition does not meet the requirements for a fast decision, we will send you a letter informing you that if you get a doctor’s support for a fast review, we will automatically give you a fast decision. The letter will also tell you how to file a “fast grievance.” You have the right to file a fast grievance if you disagree with our decision to deny your request for a fast review (for more information about fast grievances, see Section 4). If we deny your request for a fast initial determination, we will give you a standard decision.

### ***What happens when you request an initial determination?***

- For a standard initial determination about a Part D drug (including a request to pay you back for a Part D drug that you have already received). Generally, we must give you our decision no later than 72 hours after we receive your request, but we will make it sooner if your request is for a Part D drug that you have not received yet and your health condition requires us to. However, if your request involves a request for an exception (including a formulary exception, tiering exception, or an exception from utilization management rules – such as prior authorization, dosage limits, quantity limits, or step therapy requirements, we must give you our decision no later than 72 hours after we receive your physician’s “supporting statement” explaining why the drug you are asking for is medically necessary.

If you have not received an answer from us within 72 hours after we receive your request (or your physician's supporting statement if your request involves an exception), your request will automatically go to Appeal Level 2.

- For a fast initial determination about a Part D drug that you have not yet received.

If we give you a fast review, we will give you our decision within 24 hours after you or your doctor ask for a fast review. We will give you the decision sooner if your health condition requires us to. If your request involves a request for an exception, we will give you our decision no later than 24 hours after we have received your physician's "supporting statement," which explains why the drug you are asking for is medically necessary.

If we decide you are eligible for a fast review and you have not received an answer from us within 24 hours after receiving your request (or your physician's supporting statement if your request involves an exception), your request will automatically go to Appeal Level 2.

## What happens if we decide completely in your favor?

- For a standard decision about a Part D drug (including a request to pay you back for a Part D drug that you have already received).

We must cover the Part D drug you requested as quickly as your health requires, but no later than 72 hours after we receive the request. If your request involves a request for an exception, we must cover the Part D drug you requested no later than 72 hours after we receive your physician's "supporting statement." If you are asking us to pay you back for a Part D drug that you already paid for and received, we must send payment to you no later than 30 calendar days after we receive the request (or supporting statement if your request involves an exception).

- For a fast decision about a Part D drug that you have not yet received.

We must cover the Part D drug you requested no later than 24 hours after we receive your request. If your request involves a request for an exception, we must cover the Part D drug you requested no later than 24 hours after we receive your physician's "supporting statement."

## What happens if we decide against you?

If we decide against you, we will send you a written decision explaining why we denied your request.

If an initial determination does not give you all that you requested, you have the right to appeal the decision.

**(See Appeal Level 1.)**

## Appeal Level 1: Appeal to the Plan

You may ask us to review our initial determination, even if only part of our decision is not what you requested. An appeal to the plan about a Part D drug is also called a plan "**redetermination.**" When we receive your request to review the initial determination, we give the request to people at our organization who were not involved in making the initial determination. This helps ensure that we will give your request a fresh look.

### Who may file your appeal of the initial determination?

If you are appealing an initial decision about a Part D drug, you or your representative may file a **standard appeal** request, or you, your representative, or your doctor may file a **fast appeal** request. Please see "Who may ask for an initial determination?" for information about appointing a representative.

### How soon must you file your appeal?

You must file the appeal request within 60 calendar days from the date included on the notice of our initial determination. We may give you more time if you have a good reason for missing the deadline.

### How to file your appeal

#### 1. Asking for a standard appeal

To ask for a standard appeal about a Part D drug a signed, written appeal request must be sent to the address listed under **Part D Appeals** (for appeals about Part D drugs) in Section 8. You may also ask for a standard appeal by calling us at the phone number shown under **Part D Appeals** (for appeals about Part D drugs) in Section 8.

#### 2. Asking for a fast appeal

If you are appealing a decision we made about giving you a Part D drug that you have not received yet, you and/or your doctor will need to decide if you need a fast appeal. The rules about asking for a fast appeal are the same as the rules about asking for a fast initial determination. You, your doctor, or your representative may ask us for a fast appeal by calling, faxing, or writing us at the numbers or address listed under **Part D Appeals** (for appeals about Part D drugs) in Section 8. Our normal business hours are 8:00am to 8:00pm in your local time zone. If you are requesting a decision outside of normal business hours, be sure to call (not fax) us at 1-800-753-2851, and listen to the recording for further instructions.

Be sure to ask for a “fast” or “expedited” review. Remember, if your doctor provides a written or oral supporting statement explaining that you need the fast appeal, we will automatically give you a fast appeal. If you ask for a fast decision without support from a doctor, we will decide if your health requires a fast decision. If we decide that your medical condition does not meet the requirements for a fast decision, we will send you a letter informing you that if you get a doctor’s support for a fast review, we will automatically give you a fast decision. The letter will also tell you how to file a “fast grievance.” You have the right to file a fast grievance if you disagree with our decision to deny your request for a fast review (for more information about fast grievances, see Section 4). If we deny your request for a fast appeal, we will give you a standard appeal. While the process for deciding on a standard or fast appeal is the same as the process at the coverage determination level, the place where the appeal is sent is different. Appeal requests should be sent to Medco Health Solutions, 8111 Royal Ridge Parkway, Irving, TX 75063

### ***Getting information to support your appeal***

We must gather all the information we need to make a decision about your appeal. If we need your assistance in gathering this information, we will contact you or your representative. You have the right to obtain and include additional information as part of your appeal. For example, you may already have documents related to your request, or you may want to get your doctor’s records or opinion to help support your request. You may need to give the doctor a written request to get information.

You may give us your additional information to support your appeal by calling, faxing, or writing us at the numbers or address listed under **Part D Appeals** (for appeals about Part D drugs) in Section 8.

You may also deliver additional information in person to the address listed under **Part D Appeals** (for appeals about Part D drugs) in Section 8.

You also have the right to ask us for a copy of information regarding your appeal. You may call or write us at the phone number or address listed under **Part D Appeals** (for appeals about Part D drugs) in Section 8. We are allowed to charge a fee for copying and sending this information to you.

### ***How soon must we decide on your appeal?***

- For a standard decision about a Part D drug that includes a request to pay you back for a Part D drug you have already paid for and received.

We will give you our decision within seven calendar days of receiving the appeal request. We will give you the decision sooner if you have not received the drug yet and your health condition requires us to. If we do not give you our decision within seven calendar days, your request will automatically go to Appeal Level 2.

- For a fast decision about a Part D drug that you have not yet received.

We will give you our decision within 72 hours after we receive the appeal request. We will give you the decision sooner if your health condition requires us to. If we do not give you our decision within 72 hours, your request will automatically go to Appeal Level 2.

### ***What happens if we decide completely in your favor?***

- For a standard decision about a Part D drug (including a request to pay you back for a Part D drug that you have already received).

We must cover the Part D drug you requested as quickly as your health requires, but no later than 7 calendar days after we receive the request. If you are asking us to pay you back for a Part D drug that you already paid for and received, we must send payment to you no later than 30 calendar days after we receive the request.

- For a fast decision about a Part D drug that you have not yet received.

We must cover the Part D drug you requested no later than 72 hours after we receive your request.

## **Appeal Level 2: Independent Review Entity (IRE)**

At the second level of appeal, your appeal is reviewed by an outside, Independent Review Entity (IRE) that has a contract with the Centers for Medicare & Medicaid Services (CMS), the government agency that runs the Medicare program. The IRE has no connection to us. You have the right to ask us for a copy of your case file that we sent to this entity. We are allowed to charge you a fee for copying and sending this information to you.

### ***How to file your appeal***

If you asked for Part D drugs or payment for Part D drugs and we did not rule completely in your favor at Appeal Level 1, you may file an appeal with the IRE. If you choose to appeal, you must send the appeal request to the IRE. The decision you receive from the plan (Appeal Level 1) will tell you how to file this appeal, including who can file the appeal and how soon it must be filed.

### ***How soon must the IRE decide?***

The IRE has the same amount of time to make its decision as the plan had at **Appeal Level 1**.

### ***If the IRE decides completely in your favor:***

The IRE will tell you in writing about its decision and the reasons for it.

- For a decision to pay you back for a Part D drug you already paid for and received, we must send payment to you within 30 calendar days from the date we receive notice reversing our decision.
- For a standard decision about a Part D drug you have not yet received, we must cover the Part D drug you asked for within 72 hours after we receive notice reversing our decision.
- For a fast decision about a Part D drug you have not yet received, we must cover the Part D drug you asked for within 24 hours after we receive notice reversing our decision.

### **Appeal Level 3: Administrative Law Judge (ALJ)**

If the IRE does not rule completely in your favor, you or your representative may ask for a review by an Administrative Law Judge (ALJ) if the dollar value of the Part D drug you asked for meets the minimum requirement provided in the IRE’s decision. During the ALJ review, you may present evidence, review the record (by either receiving a copy of the file or accessing the file in person when feasible), and be represented by counsel.

#### ***How to file your appeal***

The request must be filed with an ALJ within 60 calendar days of the date you were notified of the decision made by the IRE (Appeal Level 2). The ALJ may give you more time if you have a good reason for missing the deadline. The decision you receive from the IRE will tell you how to file this appeal, including who can file it.

The ALJ will not review your appeal if the dollar value of the requested Part D drug does not meet the minimum requirement specified in the IRE’s decision. If the dollar value is less than the minimum requirement, you may not appeal any further.

#### ***How soon will the Judge make a decision?***

The ALJ will hear your case, weigh all of the evidence, and make a decision as soon as possible.

#### ***If the Judge decides in your favor:***

See the section **“Favorable Decisions by the ALJ, MAC, or a Federal Court Judge”** below for information about what we must do if our decision denying what you asked for is reversed by an ALJ.

### **Appeal Level 4: Medicare Appeals Council (MAC)**

If the ALJ does not rule completely in your favor, you or your representative may ask for a review by the Medicare Appeals Council (MAC).

#### ***How to file your appeal***

The request must be filed with the MAC within 60 calendar days of the date you were notified of the decision made by the ALJ (Appeal Level 3). The MAC may give you more time if you have a good reason for missing the deadline. The decision you receive from the ALJ will tell you how to file this appeal, including who can file it.

#### ***How soon will the Council make a decision?***

The MAC will first decide whether to review your case (it does not review every case it receives). If the MAC reviews your case, it will make a decision as soon as possible. If it decides not to review your case, you may request a review by a Federal Court Judge (see Appeal Level 5). The MAC will issue a written notice explaining any decision it makes. The notice will tell you how to request a review by a Federal Court Judge.

#### ***If the Council decides in your favor:***

See the section **“Favorable Decisions by the ALJ, MAC, or a Federal Court Judge”** below for information about what we must do if our decision denying what you asked for is reversed by the MAC.

### **Appeal Level 5: Federal Court**

You have the right to continue your appeal by asking a Federal Court Judge to review your case if the amount involved meets the minimum requirement specified in the Medicare Appeals Council’s decision, you received a decision from the Medicare Appeals Council (Appeal Level 4), and:

- The decision is not completely favorable to you, or
- The decision tells you that the MAC decided not to review your appeal request.

#### ***How to file your appeal***

In order to request judicial review of your case, you must file a civil action in a United States district court within 60 calendar days after the date you were notified of the decision made by the Medicare Appeals Council (Appeal Level 4). The letter you get from the Medicare Appeals Council will tell you how to request this review, including who can file the appeal.

Your appeal request will not be reviewed by a Federal Court if the dollar value of the requested Part D drug does not meet the minimum requirement specified in the MAC’s decision.

### ***How soon will the Judge make a decision?***

The Federal Court Judge will first decide whether to review your case. If it reviews your case, a decision will be made according to the rules established by the Federal judiciary.

### ***If the Judge decides in your favor:***

See the section “**Favorable Decisions by the ALJ, MAC, or a Federal Court Judge**” below for information about what we must do if our decision denying what you asked for is reversed by a Federal Court Judge.

### ***If the Judge decides against you:***

You may have further appeal rights in the Federal Courts. Please refer to the Judge’s decision for further information about your appeal rights.

## **Favorable Decisions by the ALJ, MAC, or a Federal Court Judge**

This section explains what we must do if our initial decision denying what you asked for is reversed by the ALJ, MAC, or a Federal Court Judge.

- For a decision to pay you back for a Part D drug you already paid for and received, we must send payment to you within 30 calendar days from the date we receive notice reversing our decision.
- For a standard decision about a Part D drug you have not yet received, we must cover the Part D drug you asked for within 72 hours after we receive notice reversing our decision.
- For a fast decision about a Part D drug you have not yet received, we must cover the Part D drug you asked for within 24 hours after we receive notice reversing our decision.

## Section 6 Ending your Membership

Ending your membership in our Plan may be **voluntary** (your own choice) or **involuntary** (not your own choice):

- You might leave our Plan because you have decided that you want to leave.
- There are also limited situations where we are required to end your membership. For example, if you move permanently out of our geographic service area.

### Voluntarily ending your membership

There are only certain times during the year when you may voluntarily end your membership in our Plan. The key time to make changes is the Medicare fall open enrollment period (also known as the “Annual Election Period”), which occurs every year from November 15 through December 31. This is the time to review your health care and drug coverage for the following year and make changes to your Medicare health or prescription drug coverage. Any changes you make during this time will be effective January 1. Certain individuals, such as those with Medicaid, those who get extra help, or who move, can make changes at other times. For more information on when you can make changes see the enrollment period table at the end of this section.

During the fall open enrollment period, if you want to end your membership in our plan, this is what you need to do:

- **If you are planning on joining another Medicare Prescription drug plan:** Simply join the new Medicare Prescription drug plan. You will be disenrolled automatically from our plan when your new coverage begins on January 1.
- **If you are planning on enrolling in a Medicare Advantage plan:** Request enrollment in the new plan. In most cases, you will be disenrolled automatically when your new plan’s coverage begins on January 1.  
**EXCEPTION** -- If you are joining a Medicare Advantage “Private Fee-for-Service” plan and that plan does not offer drug coverage, or a Medicare Medical Savings Account (MSA) Plan, enrollment will not automatically disenroll you from our plan. Therefore, you will need to do the following:
  - o To join a new Medicare prescription drug plan, simply join the new Medicare prescription drug plan, or
  - o If you do not want Medicare prescription drug coverage, find out how to request disenrollment from our plan by contacting Customer Service. You may also call 1-800-MEDICARE (1-800-633-4227) to request disenrollment from our plan. TTY users should call 1-877-486-2048.
- **If you would like to end your membership without joining any other Medicare health or prescription drug plan:** Contact Customer Service to find out how to request disenrollment. You may also call 1-800-MEDICARE (1-800-633-4227) to request disenrollment from our plan. TTY users should call 1-877-486-2048. Your enrollment in Original Medicare will be effective January 1.

**IMPORTANT** -- If you disenroll from a Medicare prescription drug plan and go without creditable prescription drug coverage (coverage that is at least as good as Medicare drug coverage), you may have to pay a penalty if you join later.

Enrollment Period	When?	Effective Date
Fall Open Enrollment (Annual Election Period) Time to review health and drug coverage and make changes.	Every year from November 15 to December 31	January 1
Medicare Advantage (MA) Open Enrollment MA-eligible beneficiaries can make one change to their health plan coverage. However, you cannot use this period to add, drop, or change your Medicare prescription drug coverage. Examples: If you are in a MA plan that does not have Medicare prescription drug coverage, you can switch to another Medicare Advantage plan that does not offer drug coverage or go to Original Medicare If you are in Original Medicare Plan and have a Medicare prescription drug plan, you can join a Medicare Advantage Plan that offers Medicare drug coverage If you are in an MA plan that offers Medicare drug coverage, you can leave and join Original Medicare Plan and a Medicare prescription drug plan	Every year from January 1 to March 31	First day of next month after plan receives your enrollment request
Special Enrollment Periods for limited special exceptions, such as: • You have a change in residence • You have Medicaid • You are eligible for extra help with Medicare prescriptions • You live in an institution (such as a nursing home)	Determined by exception	Generally, first day of next month after plan receives your enrollment request

For more information about the options available to you during these enrollment periods, contact Medicare at 1-800-MEDICARE (1-800-633-4227.) TTY users should call 1-877-486-2048. Additional information can also be found in the “*Medicare & You*” handbook. This handbook is mailed to everyone with Medicare each fall. You may view or download a copy from [www.medicare.gov](http://www.medicare.gov) – under “Search Tools,” select “Find a Medicare Publication.”

***Until your membership ends, you must keep getting your Medicare prescription drug coverage through our Plan***

If you leave our Plan, it may take some time for your membership to end and your new way of getting Medicare to take effect (we discuss when the change takes effect earlier in this section). While you are waiting for your membership to end, you are still a member and must continue to get your prescription drugs as usual through our Plan.

Until your prescription drug coverage with our Plan ends, use our network pharmacies to fill your prescriptions. While you are waiting for your membership to end, you are still a member and must continue to get your prescription drugs as usual through our Plan’s network pharmacies. In most cases, your prescriptions are covered only if they are filled at a network pharmacy including our mail-order-pharmacy service listed on our formulary, and you follow other coverage rules.

***We cannot ask you to leave the Plan because of your health.***

We cannot ask you to leave your health plan for any health-related reasons. If you ever feel that you are being encouraged or asked to leave our Plan because of your health, you should call 1-800-MEDICARE (1-800-633-4227), which is the national Medicare help line. TTY users should call 1-877-486-2048. You may call 24 hours a day, 7 days a week.

**Involuntarily ending your membership**

If any of the following situations occur, we will end your membership in our Plan.

- If you do not stay continuously enrolled in Medicare A or B (or both).
- If you move out of the service area or are away from the service area for more than 6 months you cannot remain a member of our Plan. And we must end your membership (“disenroll” you). If you plan to move or take a long trip, please call Customer Service to find out if the place you are moving to or traveling to is in our Plan’s service area.
- If you knowingly falsify or withhold information about other parties that provide reimbursement for your prescription drug coverage.
- If you intentionally give us incorrect information on your enrollment request that would affect your eligibility to enroll in our Plan.
- If you behave in a way that is disruptive, to the extent that you continued enrollment seriously impairs our ability to arrange or provide medical care for you or for others who are members of our Plan. We cannot make you leave our Plan for this reason unless we get permission first from Medicare.
- If you let someone else use your plan membership card to get medical care. If you are disenrolled for this reason, CMS may refer your case to the Inspector General for additional investigation.
- If you do not pay the Plan premiums, we will tell you in writing that you have a 60-day grace period during which you may pay the Plan premiums before your membership ends.

***You have the right to make a complaint if we end your membership in our Plan***

If we end your membership in our Plan we will tell you our reasons in writing and explain how you may file a complaint against us if you want to.

## Section 7: Definitions of Important Words Used in the EOC

---

**Appeal** – An appeal is a special kind of complaint you make if you disagree with a decision to deny a request for prescription drugs or payment for prescription drugs you already received. For example, you may ask for an appeal if our Plan doesn't pay for a drug you think you should be able to receive. Section 5 explains appeals, including the process involved in making an appeal.

**Brand-Name Drug** – A prescription drug that is manufactured and sold by the pharmaceutical company that originally researched and developed the drug. Brand name drugs have the same active-ingredient formula as the generic version of the drug. However, generic drugs are manufactured and sold by other drug manufacturers and are generally not available until after the patent on the brand name drug has expired.

**Catastrophic Coverage** - The phase in the Part D Drug Benefit where you pay a low co-payment or coinsurance for your drugs after you or other qualified parties on your behalf have spent \$4,350 in covered drugs during the covered year.

**Centers for Medicare & Medicaid Services (CMS)** – The Federal agency that runs the Medicare program. Section 8 explains how to contact CMS.

**Cost-sharing** - Cost-sharing refers to amounts that a member has to pay when drugs are received. It includes any combination of the following three types of payments: (1) any deductible amount a plan may impose before drugs are covered; (2) any fixed "co-payment" amounts that a plan may require be paid when specific drugs are received; or (3) any "coinsurance" amount that must be paid as a percentage of the total amount paid for a drug.

**Coverage Determination** –A decision from your Medicare drug plan about whether a drug prescribed for you is covered by the Plan and the amount, if any, you are required to pay for the prescription. In general, if you bring your prescription to a pharmacy and the pharmacy tells you the prescription isn't covered under your plan, that isn't a coverage determination. You need to call or write to your plan to ask for a formal decision about the coverage if you disagree.

**Covered Drugs** – The term we use to mean all of the prescription drugs covered by our Plan.

**Creditable Prescription Drug Coverage** – Coverage (for example, from an employer or union) that is at least as good as Medicare's prescription drug coverage.

**Customer Service** – A department within our Plan responsible for answering your questions about your membership, benefits, grievances, and appeals. See Section 8 for information about how to contact Customer Services.

**Disenroll or Disenrollment** – The process of ending your membership in our Plan. Disenrollment may be voluntary (your own choice) or involuntary (not your own choice). Section 6 discusses disenrollment.

**Evidence of Coverage (EOC) and Disclosure Information** – This document, along with your enrollment form and any other attachments, riders, which explains your coverage, what we must do, your rights, and what you have to do as a member of our Plan.

**Exception** – A type of coverage determination that, if approved, allows you to get a drug that is not on your plan sponsor's formulary (a formulary exception), or get a non-preferred drug at the preferred cost-sharing level (a tiering exception). You may also request an exception if your plan sponsor requires you to try another drug before receiving the drug you are requesting, or the Plan limits the quantity or dosage of the drug you are requesting (a formulary exception).

**Formulary** – A list of covered drugs provided by the Plan.

**Generic Drug** – A prescription drug that is approved by the Food and Drug Administration (FDA) as having the same active ingredient(s) as the brand-name drug. Generally, generic drugs cost less than brand-name drugs.

**Grievance** - A type of complaint you make about us or one of our network pharmacies, including a complaint concerning the quality of your care. This type of complaint does not involve coverage or payment disputes. See Section 4 for more information about grievances.

**Initial Coverage Limit** – The maximum limit of coverage under the initial coverage period.

**Initial Coverage Period** – This is the period before your total drug expenses, have reached \$2,700, including amounts you've paid and what our Plan has paid on your behalf.

**Late Enrollment Penalty** – An amount added to your monthly premium for Medicare drug coverage if you go without creditable coverage (coverage that expects to pay, on average, at least as much as standard Medicare prescription drug coverage) for a continuous period of 63 days or more. You pay this higher amount as long as you have a Medicare drug plan. There are some exceptions.

**Medicare** – The Federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with End-Stage Renal Disease (generally those with permanent kidney failure who need dialysis or a kidney transplant).

**Medicare Advantage (MA) Plan**– Sometimes called Medicare Part C. A plan offered by a private company that contracts with Medicare to provide you with all your Medicare Part A (Hospital) and Part B (Medical) benefits. A MA plan offers a specific set of health benefits at the same premium and level of cost-sharing to all people with Medicare who live in the service area covered by the Plan. Medicare Advantage Organizations can offer one or more Medicare Advantage plans in the same service area. A Medicare Advantage Plan can be an HMO, PPO, a Private Fee-for-Service (PFFS) Plan, or a Medicare Medical Savings Account (MSA) plan. In most cases, Medicare Advantage Plans also offer Medicare Part D (prescription drug coverage). These plans are called **Medicare Advantage Plans with Prescription Drug Coverage**. Everyone who has Medicare Part A and Part B is eligible to join any Medicare Health Plan that is offered in their area, except people with End-Stage Renal Disease (unless certain exceptions apply).

**Medicare Cost Plan** – Cost plan means a plan operated by a Health Maintenance Organization (HMO) or Competitive Medical Plan (CMP) in accordance with a cost-reimbursed contract under section 1876(h) of the Act.

**Medicare Prescription Drug Coverage (Medicare Part D)** – Insurance to help pay for outpatient prescription drugs, vaccines, biologicals, and some supplies not covered by Medicare Part A or Part B.

**“Medigap” (Medicare supplement insurance) policy** – Medicare supplement insurance sold by private insurance companies to fill “gaps” in the Original Medicare Plan coverage. Medigap policies only work with the Original Medicare Plan. (A Medicare Advantage plan is not a Medigap policy.)

**Member (member of our Plan, or “plan member”)** – A person with Medicare who is eligible to get covered services, who has enrolled in our Plan and whose enrollment has been confirmed by the Centers for Medicare & Medicaid Services (CMS).

**Network pharmacy** – A network pharmacy is a pharmacy where members of our Plan can get their prescription drug benefits. We call them “network pharmacies” because they contract with our Plan. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

**Original Medicare Plan** – (“Traditional Medicare” or “Fee-for-service” Medicare) The Original Medicare Plan is the way many people get their health care coverage. It is the national pay-per-visit program that lets you go to any doctor, hospital, or other health care provider that accepts Medicare. You must pay the deductible. Medicare pays its share of the Medicare-approved amount, and you pay your share. Original Medicare has two parts: Part A (Hospital Insurance) and Part B (Medical Insurance) and is available everywhere in the United States.

**Out-of-network pharmacy** – A pharmacy that doesn’t have a contract with our Plan to coordinate or provide covered drugs to members of our Plan. As explained in this Evidence of Coverage, most drugs you get from out-of-network pharmacies are not covered by our Plan unless certain conditions apply.

**Part C** – see “Medicare Advantage (MA) Plan”

**Part D** – The voluntary Medicare Prescription Drug Benefit Program. (For ease of reference, we will refer to the prescription drug benefit program as Part D.)

**Part D Drugs** – Drugs that Congress permitted our Plan to offer as part of a standard Medicare prescription drug benefit. We may or may not offer all Part D drugs. (See your formulary for a specific list of covered drugs.) Certain categories of drugs, such as benzodiazepines, barbiturates, and over-the-counter drugs were specifically excluded by Congress from the standard prescription drug package (see Section 10 for a listing of these drugs). These drugs are not considered Part D drugs.

**Prior authorization** – Approval in advance to get certain drugs that may or may not be on our formulary. Some drugs are covered only if your doctor or other network provider gets “prior authorization” from us. Covered drugs that need prior authorization are marked in the formulary.

**Quality Improvement Organization (QIO)** – Groups of practicing doctors and other health care experts that are paid by the federal government to check and improve the care given to Medicare patients. They must review your complaints about the quality of care given by Medicare Providers. See Section 8 for information about how to contact the QIO in your state and Section 5 for information about making complaints to the QIO.

**Quantity Limits** – A management tool that is designed to limit the use of selected drugs for quality, safety, or utilization reasons. Limits may be on the amount of the drug that we cover per prescription or for a defined period of time.

**Service area** – “Service area” is the geographic area approved by the Centers for Medicare & Medicaid Services (CMS) within which an eligible individual may enroll in a certain plan.

**Step Therapy** – A utilization tool that requires you to first try another drug to treat your medical condition before we will cover the drug your physician may have initially prescribed.

**Supplemental Security Income (SSI)** – A monthly benefit paid by the Social Security Administration to people with limited income and resources who are disabled, blind, or age 65 and older. SSI benefits are not the same as Social Security benefits.

## Section 8: Helpful Phone Numbers and Resources

---

### Contact Information for our Plan Customer Services

If you have any questions or concerns, please call or write to our Plan Customer Service. We will be happy to help you.

- CALL** 1-866-524-4169, 8:00am to 8:00pm in your local time zone.  
Calls to this number are free.
- TTY/TDD** 1-866-524-4170.

## Other important contacts

Below is a list of other important contacts. For the most up-to-date contact information, check your Medicare & You Handbook, visit [www.medicare.gov](http://www.medicare.gov) and choose "Find Helpful Phone Numbers and Resources," or call 1-800-Medicare (1-800-633-4227). TTY users should call 1-877-486-2048.

### State Health Insurance Assistance Program (SHIP)

SHIPs are state programs that get money from the Federal government to give free local health insurance counseling to people with Medicare. Your SHIP can explain your Medicare rights and protections, help you make complaints about care or treatment, and help straighten out problems with Medicare bills. Your SHIP has information about Medicare Advantage Plans, Medicare Prescription Drug Plans, Medicare Cost Plans, and about Medigap (Medicare supplement insurance) policies. This includes information about whether to drop your Medigap policy while enrolled in a Medicare Advantage Plan and special Medigap rights for people who have tried a Medicare Advantage Plan for the first time.

You may contact the SHIP in your state - *please see Section 11 for how to contact the SHIP in your state.* You may also find the website for your local SHIP at [www.medicare.gov](http://www.medicare.gov) on the Web. Under "Search Tools," select "Helpful Phone Numbers and websites."

### Quality Improvement Organization

"QIO" stands for **Q**uality **I**mprovement **O**rganization. The QIO is a group of doctors and health professionals in your state that reviews medical care and handles certain types of complaints from patients with Medicare, and is paid by the federal government to check on and help improve the care given to Medicare patients. There is a QIO in each state. QIOs have different names, depending on which state they are in. The doctors and other health experts in the QIO review certain types of complaints made by Medicare patients. These include complaints about quality of care and appeals filed by Medicare patients who think the coverage for their hospital, skilled nursing facility, home health agency, or comprehensive outpatient rehabilitation stay is ending too soon. See Sections 4 and 5 for more information about complaints, appeals and grievances.

*Please refer to Section 11 for how to contact the QIO in your state.*

## How to contact the Medicare program

Medicare is the Federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with End-Stage Renal Disease (generally those with permanent kidney failure who need dialysis or a kidney transplant). Our organization contracts with the federal government.

- Call 1-800-MEDICARE (1-800-633-4227) to ask questions or get free information booklets from Medicare 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. Customer service representatives are available 24 hours a day, including weekends.
- Visit [www.medicare.gov](http://www.medicare.gov). This is the official government website for Medicare information. This website gives you up-to-date information about Medicare and nursing homes and other current Medicare issues. It includes booklets you can print directly from your computer. It has tools to help you compare Medicare Advantage Plans and Medicare Prescription Drug Plans in your area. You can also search under "Search Tools" for Medicare contacts in your state. Select "Helpful Phone Numbers and websites." If you don't have a computer, your local library or senior center may be able to help you visit this website using its computer.

## Medicaid

Medicaid is a state government program that helps with medical costs for some people with limited incomes and resources. Some people with Medicare are also eligible for Medicaid. Medicaid has programs that can help pay for your Medicare premiums and other costs, if you qualify. *To find out more about Medicaid and its programs, refer to Section 11 to contact your state Medicaid agency.*

### ***Social Security***

Social Security programs include retirement benefits, disability benefits, family benefits, survivors' benefits, and benefits for the aged and blind. You may call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778. You may also visit [www.ssa.gov](http://www.ssa.gov) on the Web.

### **State Pharmacy Assistance Program (SPAP)**

SPAPs are state organizations that provide limited-income and medically needy senior citizens and individuals with disabilities financial help for prescription drugs. *Refer to Section 11 for information to contact your state's SPAP.*

### ***Railroad Retirement Board***

If you get benefits from the Railroad Retirement Board, you may call your local Railroad Retirement Board office or 1-800-808-0772. TTY users should call 312-751-4701. You may also visit [www.rrb.gov](http://www.rrb.gov) on the Web.

### ***Employer (or "Group") Coverage***

If you or your spouse get your benefits from your current or former employer or union, or from your spouse's current or former employer or union, call your employer's or union's benefits administrator or Customer Service if you have any questions about your employer/union benefits, plan premiums, or the open enrollment season. Important Note: You (or your spouse's) employer/union benefits may change, or you or your spouse may lose the benefits, if you or your spouse enrolls in Medicare Part D. Call your employer's or union's benefits administrator or Customer Service to find out whether the benefits will change or be terminated if you or your spouse enrolls in Part D.

## Section 9: Legal Notices

---

### **Notice about governing law**

Many laws apply to this Evidence of Coverage and some additional provisions may apply because they are required by law. This may affect your rights and responsibilities even if the laws are not included or explained in this document. The principal law that applies to this document is Title XVIII of the Social Security Act and the regulations created under the Social Security Act by the Centers for Medicare & Medicaid Services, or CMS. In addition, other Federal laws may apply and, under certain circumstances, the laws of the state you live in.

### **Notice about nondiscrimination**

We don't discriminate based on a person's race, disability, religion, sex, sexual orientation, health, ethnicity, creed, age, or national origin. All organizations that provide Medicare Prescription Drug Plans, like our Plan, must obey federal laws against discrimination, including Title VI of the Civil Rights Act of 1964, the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, the Americans with Disabilities Act, all other laws that apply to organizations that get Federal funding, and any other laws and rules that apply for any other reason.

If you get your benefits from your current or former employer, or from your spouse’s current or former employer, call the employer’s benefits administrator for information about your Plan premium.

If you are getting extra help with paying for your drug coverage, the Part D premium amount that you pay as a member of this Plan is listed in your “Evidence of Coverage Rider for those who Receive Extra Help for their Prescription Drugs.” You can also get that information by calling Customer Service. If you are a member of a State Pharmacy Assistance Program (SPAP), you may get help paying your monthly plan premiums. Please contact your SPAP to determine what benefits are available to you. Note that there is not an SPAP in every state, and in some states the SPAP has another name. See Section 8. You can find more information about paying your plan premium in Section 1.

## How Much You Pay for Part D Prescription Drugs

This section has a chart that tells you what you must pay for covered drugs. These are the benefits you get as a member of our Plan. (Later in this section under “General Exclusions” you can find information about drugs that are not covered.) For more detailed information about your benefits, please refer to our Summary of Benefits. If you do not have a current copy of the Summary of Benefits you can view it on our website or contact Customer Service to request one.

### How much do you pay for drugs covered by this Plan?

When you fill a prescription for a covered drug, you may pay part of the costs for your drug. The amount you pay for your drug depends on what coverage level you are in (i.e., initial coverage period, the period after you reach your initial coverage limit, and catastrophic level), the type of drug it is, and whether you are filling your prescription at an in-network or out-of-network pharmacy. Each phase of the benefit is described below. Refer to your plan formulary to see what drugs we cover and what tier they are on. (More information on the formulary is included later in this section.)

If you qualify for extra help with your drug costs, your costs for your drugs may be different from those described below. For more information, see the “Evidence of Coverage Rider for those who Receive Extra Help Paying for their Prescription Drugs.” If you do not already qualify for extra help, see “Do you qualify for extra help?” in Section 1 for more information.

**Initial Coverage Period**

During the initial coverage period, we will pay part of the costs for your covered drugs and you will pay the other part. The amount you pay when you fill a covered prescription is called the coinsurance or co-payment. Your coinsurance or copayment will vary depending on the drug and where the prescription is filled.

**You will pay the following for your covered prescription drugs:**

The amount you will pay for your covered prescription drugs varies according to where you live. Find your state to determine your cost sharing.

If you live in AK, GA, HI, IA, IN, KY, MI, MN, MO, MT, ND, NE, OH, PA, SC, SD, VA, WV, WY, you will pay the following for your covered prescription drugs\*:

Drug Tier	Network Retail Pharmacy Co-payment/ Co-insurance (34-day supply)	Network Retail Pharmacy Co-payment/ Co-insurance (90-day supply)	Network Long-Term Care Co-payment/ Co-insurance (34-day supply)	Mail Order Co-payment/ Co-insurance (90-day supply)	Out-of-Network Pharmacy Co-payment/ Co-insurance (34-day supply)
Tier 1 - Formulary Generic Brand	\$5	\$14	\$5	\$13	\$5
Tier 2 - Formulary Preferred Brand	\$31	\$78	\$31	\$62	\$31
Tier 3 - Formulary Non-Preferred Brand	\$62	\$155	\$62	\$124	\$62
Tier 4 - Specialty Brand	33%	33%	33%	33%	33%

If you live in AL, AR, CO, CT, DC, DE, FL, IL, KS, MA, MD, ME, MS, NC, NH, NM, NV, OK, RI, TN, VT, WI, you will pay the following for your covered prescription drugs\*:

Drug Tier	Network Retail Pharmacy Co-payment/ Co-insurance (34-day supply)	Network Retail Pharmacy Co-payment/ Co-insurance (90-day supply)	Network Long-Term Care Co-payment/ Co-insurance (34-day supply)	Mail Order Co-payment/ Co-insurance (90-day supply)	Out-of-Network Pharmacy Co-payment/ Co-insurance (34-day supply)
Tier 1 - Formulary Generic Brand	\$6	\$17	\$6	\$15	\$6
Tier 2 - Formulary Preferred Brand	\$32	\$80	\$32	\$64	\$32
Tier 3 - Formulary Non-Preferred Brand	\$64	\$160	\$64	\$128	\$64
Tier 4 - Specialty Brand	33%	33%	33%	33%	33%

**If you live in AZ, ID, LA, NJ, OR, TX, UT, WA, you will pay the following for your covered prescription drugs\*:**

<b>Drug Tier</b>	<b>Network Retail Pharmacy Co-payment/ Co-insurance (34-day supply)</b>	<b>Network Retail Pharmacy Co-payment/ Co-insurance (90-day supply)</b>	<b>Network Long-Term Care Co-payment/ Co-insurance (34-day supply)</b>	<b>Mail Order Co-payment/ Co-insurance (90-day supply)</b>	<b>Out-of-Network Pharmacy Co-payment/ Co-insurance (34-day supply)</b>
Tier 1 - Formulary Generic Brand	\$7	\$20	\$7	\$18	\$7
Tier 2 - Formulary Preferred Brand	\$33	\$83	\$33	\$66	\$33
Tier 3 - Formulary Non-Preferred Brand	\$66	\$165	\$66	\$132	\$66
Tier 4 - Specialty Brand	33%	33%	33%	33%	33%

**If you live in CA, you will pay the following for your covered prescription drugs\*:**

<b>Drug Tier</b>	<b>Network Retail Pharmacy Co-payment/ Co-insurance (34-day supply)</b>	<b>Network Retail Pharmacy Co-payment/ Co-insurance (90-day supply)</b>	<b>Network Long-Term Care Co-payment/ Co-insurance (34-day supply)</b>	<b>Mail Order Co-payment/ Co-insurance (90-day supply)</b>	<b>Out-of-Network Pharmacy Co-payment/ Co-insurance (34-day supply)</b>
Tier 1 - Formulary Generic Brand	\$9	\$25	\$9	\$23	\$9
Tier 2 - Formulary Preferred Brand	\$35	\$88	\$35	\$70	\$35
Tier 3 - Formulary Non-Preferred Brand	\$70	\$175	\$70	\$140	\$70
Tier 4 - Specialty Brand	33%	33%	33%	33%	33%

**\* Amounts in these charts may vary according to your individual out-of-network cost-sharing responsibility.**

Once your total drug costs reach \$2,700, you will reach your initial coverage limit. Your initial coverage limit is calculated by adding payments made by this Plan and you. If other individuals, organizations, current or former employer/union, and another insurance plan or policy help pay for your drugs under this Plan, the amount they spend may count towards your initial coverage limit.

**Coverage Gap**

After your total drug costs reach \$2,700, you, or others on your behalf, will pay 100% for your drugs until your total out-of-pocket costs reach \$4,350, and you qualify for catastrophic coverage.

Once your total out-of-pocket costs reach \$4,350, you will qualify for catastrophic coverage.

## Catastrophic Coverage

All Medicare Prescription Drug Plans include catastrophic coverage for people with high drug costs. In order to qualify for catastrophic coverage, you must spend \$4,350 out-of-pocket for the year. When the total amount you have paid toward coinsurance or co-payments and the cost for covered Part D drugs after you reach the initial coverage limit reaches \$4,350, you will qualify for catastrophic coverage. During catastrophic coverage you will pay: the greater of 5% coinsurance or \$2.40 for generics/preferred multisource drugs for generics or drugs that are treated like generics and \$6 for all other drugs for all other drugs. We will pay the rest.

## Vaccine Coverage (including administration)

Our Plan's prescription drug benefit covers a number of vaccines, including vaccine administration. The amount you will be responsible for will depend on how the vaccine is dispensed and who administers it. Also, please note that in some situations, the vaccine and its administration will be billed separately. When this happens, you may pay separate cost-sharing amounts for the vaccine and for the vaccine administration.

The following chart describes some of these scenarios. Note that in some cases, you will be receiving the vaccine from someone who is not part of our pharmacy network and that you may have to pay for the entire cost of the vaccine and its administration in advance. You will need to mail us the receipts, following our out-of-network paper claims policy (see Section 2), and then you will be reimbursed up to our normal coinsurance/co-payment for that vaccine. In some cases you will be responsible for the difference between what we pay and what the out-of-network provider charges you. The following chart provides examples of how much it might cost to obtain a vaccine (including its administration) under our Plan. Actual vaccine costs will vary by vaccine type and by whether your vaccine is administered by a pharmacist or by another provider.

Remember you are responsible for all of the costs associated with vaccines (including their administration) during the coverage gap phase of your benefit.

<b>If you obtain the vaccine at:</b>	<b>And get it administered by:</b>	<b>You pay (and/or are reimbursed)</b>
The Pharmacy	The Pharmacy (not possible in all States)	You pay your normal coinsurance or co-payment for the vaccine.
Your Doctor	Your Doctor	You pay up-front for the entire cost of the vaccine and its administration. You are reimbursed this amount less your normal coinsurance/co-payment for the vaccine (including administration) less any difference between the amount the Doctor charges and what we normally pay.*
The Pharmacy	Your Doctor	You pay your normal coinsurance/co-payment for the vaccine at the pharmacy and the full amount charged by the doctor for administering the vaccine. You are reimbursed the amount charged by the doctor less any applicable in-network charge for administering the vaccine less any difference between what the Doctor charges for administering the vaccine and what we normally pay.*

\*If you receive extra help, we will reimburse you for this difference.

We can help you understand the costs associated with vaccines (including administration) available under our Plan before you go to your doctor. For more information, please contact Customer Service.

## How is your out-of-pocket cost calculated?

### What type of prescription drug payments count toward your out-of-pocket costs?

The following types of payments for prescription drugs may count toward your out-of-pocket costs and help you qualify for catastrophic coverage as long as the drug you are paying for is a Part D drug or transition drug, on the formulary (or if you get a favorable decision on a coverage-determination request, exception request or appeal), obtained at a network pharmacy (or you have an approved claim from an out-of-network pharmacy), and otherwise meets our coverage requirements:

- Your coinsurance or co-payments up to the initial coverage limit
- Payments you made this year under another Medicare prescription drug plan prior to your enrollment in our plan
- Any payments you make for drugs in the coverage gap

When you have spent a total of \$4,350 for these items, you will reach the catastrophic coverage level.

### **What type of prescription drug payments will not count toward your out-of-pocket costs?**

The amount you pay for your monthly premium doesn't count toward reaching the catastrophic coverage level. In addition, the following types of payments for prescription drugs **do not count** toward your out-of-pocket costs:

- Prescription drugs purchased outside the United States and its territories
- Prescription drugs not covered by the Plan
- Prescription drugs obtained at an out-of-network pharmacy when that purchase does not meet our requirements for out-of-network coverage
- Non-Part D drugs, including prescription drugs covered by Part A or Part B and other drugs excluded from coverage by Medicare

### **Who can pay for your prescription drugs, and how do these payments apply to your out-of-pocket costs?**

Except for your premium payments, any payments you make for Part D drugs covered by us count toward your out-of-pocket costs and will help you qualify for catastrophic coverage. In addition, when the following individuals or organizations pay your costs for such drugs, these payments will count toward your out-of-pocket costs and will help you qualify for catastrophic coverage:

- Family members or other individuals;
- Qualified State Pharmacy Assistance Programs (SPAPs) (SPAPs have different names in different states. See Section 11 for the name and phone number for the SPAP in your area.)
- Medicare programs that provide extra help with prescription drug coverage; and
- Most charities or charitable organizations that pay cost-sharing on your behalf. Please note that if the charity is established, run or controlled by your current or former employer or union, the payments usually will not count toward your out-of-pocket costs.

### **Payments made by the following don't count toward your out-of-pocket costs:**

- Group Health Plans;
- Insurance plans and government funded health programs (e.g., TRICARE, the VA, the Indian Health Service, AIDS Drug Assistance Programs); and
- Third party arrangements with a legal obligation to pay for prescription costs (e.g., Workers Compensation).

If you have coverage from a third party such as those listed above that pays a part of or all of your out-of-pocket costs, you must let us know.

We will be responsible for keeping track of your out-of-pocket expenses and will let you know when you have qualified for catastrophic coverage. If you are in a coverage gap or deductible period and have purchased a covered Part D drug at a network pharmacy under a special price or discount card that is outside the Plan's benefit, you may submit documentation and have it count towards qualifying you for catastrophic coverage. In addition, for every month in which you purchase covered prescription drugs through us, you will get an Explanation of Benefits that shows your out-of-pocket cost amount to date.

## **Sample plan membership card**

## Excluded Drugs

This part of Section 10 talks about drugs that are “excluded,” meaning they aren’t normally covered by a Medicare drug plan. If you get drugs that are excluded, you must pay for them yourself. We won’t pay for the exclusions that are listed in this section (or elsewhere in this EOC), and neither will the Original Medicare Plan, unless they are found upon appeal to be drugs that we should have paid or covered (appeals are discussed in Section 5).

- A Medicare Prescription Drug Plan can’t cover a drug that would be covered under Medicare Part A or Part B.
- A Medicare Prescription Drug Plan can’t cover a drug purchased outside the United States and its territories.
- A Medicare Prescription Drug Plan can cover off-label uses (meaning for uses other than those indicated on a drug’s label as approved by the Food and Drug Administration) of a prescription drug only in cases where the use is supported by certain reference-book citations. Congress specifically listed the reference books that list whether the off-label use would be permitted. (These reference books are: American Hospital Formulary Service Drug Information, the DRUGDEX Information System, and USPDI or its successor.) If the use is not supported by one of these reference books, known as compendia, then the drug is considered a non-Part D drug and cannot be covered by our Plan.

In addition, by law, certain types of drugs or categories of drugs are not normally covered by Medicare Prescription Drug Plans. These drugs are not considered Part D drugs and may be referred to as “exclusions” or “non-Part D drugs.” These drugs include:

Non-prescription drugs (or over-the counter drugs)	Drugs when used for treatment of anorexia, weight loss, or weight gain
Drugs when used to promote fertility	Drugs when used for cosmetic purposes or to promote hair growth
Drugs when used for the symptomatic relief of cough or colds	Prescription vitamins and mineral products, except prenatal vitamins and fluoride preparations
Outpatient drugs for which the manufacturer seeks to require that associated tests or monitoring services be purchased exclusively from the manufacturer as a condition of sale	Barbiturates and Benzodiazepines
Drugs, such as Viagra, Cialis, Levitra, and Caverject, when used for the treatment of sexual or erectile dysfunction	

If you receive extra help, your state Medicaid program may cover some prescription drugs not normally covered in a Medicare drug plan. Please contact your state Medicaid program to determine what drug coverage may be available to you.

## Section 11: State Assistance Organizations

---

### State Health Insurance Assistance Programs (SHIPs)

#### Alabama

AL Department of Senior Services  
770 Washington Ave., Suite 470  
PO Box 301851  
Montgomery, AL 36130  
Local: 1-334-242-5743  
Tollfree: 1-800-243-5463
