

Life Insurance For Children

Ensures that cash will be there

Life is precious. Unfortunately, accidents and disease claim the lives of children every day. Consider that:

- Accidental injuries are the leading cause of death among children in the United States*.
- Cancer is the second leading cause of death among children age 1 – 24*.

Having money for final expenses provides financial protection when the unexpected happens. With First United American's Juvenile Whole Life Policy you can get help with that protection.

Whole life policies accumulate cash value, so as the child ages the value of First UA's Juvenile Whole Life policy will also grow.

Keeps the premium affordable

Premiums for First United American's Juvenile Whole Life policy are based on age, so the cost to you will never be lower than it is now. Buy today and the affordable rate remains the same for life.

- Available for children ages 0-18
- Benefit amounts range from \$1,000 to \$25,000
