**Re: First United American No Longer Appointing Agents
with Only a Life License**

Effective immediately, since we do not offer life products, please be advised that First United American Life Insurance Company is no longer appointing agents with only a life license. Agents requesting appointment with life-only licenses will be declined. This is to ensure that there is an even balance of business that is being written between Annuities and Medicare Supplements.

Please contact the Home Office at 315-451-2544 with any questions.
