Re: Submission of Med-Supp Applications

First United American accepts Medicare Supplement applications on individuals up to six months before their 65th birthday, unlike many companies that accept applications only three months in advance of turning 65.

With the Medicare Advantage Annual Enrollment Period starting Oct. 15, the next few months should be especially active for you. Early application submission gives your soon-to-be Senior prospects one more good reason to purchase a quality Medicare Supplement from First UA.

This does not apply to current First UA disability policyholders who may convert up to two months in advance of turning 65.

Please contact the Home Office at 315-451-2544 with any questions.

First UA is conducting Training Webinars for newly contracted and all appointed Agents every other Wednesday at 10:00 am CST. Register NOW on uageneralagency.com/office at www.unitedamerican.com/logon

First UA is also conducting live Medicare Supplement Seminars across the nation. Call 1-800-925-6793 to reserve your seat today!
