**Re: Free New York Automatic Claims Filing**

Effective immediately, First United American Life Insurance Company's Medicare Supplement policyholders will be enrolled in 'Automatic Claims Filing' (ACF) free of charge.

First United American is very excited to offer ACF at no charge to its new and existing Medicare Supplement policyholders. ACF can help First United American policyholders avoid the hassles and inconvenience of having to locate and file their Medicare Supplement Part B claims. Instead, their Medicare Supplement Part B claims will be automatically transmitted electronically by Medicare to First United American.

In approximately six weeks, new insurance cards indicating an ACF effective date will be sent to existing First United American Medicare Supplement policyholders.

Please contact the Home Office at 315-451-2544 with any questions.
