Re: Bank Draft Reminder

As a reminder, when faxing applications or using the iGO e-App do not collect a check for the initial premium for Medicare Supplement applications. All banking information should be recorded on the Bank Draft form. If the applicant gives you a check or voided check, you must postal mail all material to the Home Office.

For additional details, Agents can access the Medicare Supplement Marketplace Bulletin on the First UA Agent Website under the 'Downloads' tab in the top brown header. Details specific to the iGO e-App can be found in the e-App section in the same brown header.

Please contact the Home Office at 315-451-2544 with any questions.
