# It's a *Fascinating* Good Time

Carnival Cruise Line's "Fun Ship<sup>®</sup>" Fascination!

**F**ascination is just the beginning of United American's superb celebration of success in 2002. When you qualify, you'll travel in style. Ready for a change of scenery? A fun-filled traveling vacation? Carnival Cruise Line offers all this and more!

Fascination is a floating city, with all the modern conveniences and the ease and intimacy of a first class resort.

Fascination is an extraordinary SuperLiner. It's 855 feet long, and hold up to 2,052 people. The ship has a six-story Grand Atrium, a 360 degree ocean view, two pools, two whirlpools, a waterslide, for those young at heart, and a complete work-out facility for all your exercise needs. Do you want to know more? Sure you do!

Fascination gives you a choice in dining from formal to casual. It is all at your fingertips 24-hours a day. Want to relax? Try the steam room, sauna or

maybe you need to be pampered. Ask for the massage services — you won't regret it! Need to do a little shopping? Check out the duty-free Galleria Shopping Mall.

Fascination is a ship where every whim is catered to, every need is met and you only have to unpack once! Don't let this getaway pass you by. Get a headstart on your production goals for 2001 and let United American celebrate your sales achievement in the Bahamas. See the new production qualifications on page 14.
