Congratulations

is not a big enough word to convey our admiration for the achievements of United American's Top Producers for 2000. When it comes to recognizing excellence, words are never adequate. So, we tip our hats and say, "You're simply the best."

"High Above The Rest," our new theme, is an apt description for this unique collection of super-achievers. We introduced the slogan, along with a soaring eagle logo, in the January *UA News*. In this issue, we are delighted to present the Top 30 producing Agencies and Agents.

UA's Eagles comprise multi-million dollar producers. They and the other members of the 2000 UA President's and Pacesetters Clubs have accrued the highest net annualized premium for the year. This is an exciting accomplishment. The following pages are our tribute to a remarkable group.

Some images will live on long after we're gone. We get to choose which ones they are. In the coming months, see yourself as the "best that you can be." See United American as the Company of choice in all our markets. With imagery like that, UA will continue to be

"High Above The Rest" with Top Producers who are "simply the best!"
