

Variety **SPICES UP** UA Health Sales

United American's Health product line includes more than just Medicare Supplements and Long Term Care. We also offer an extensive array of supplemental underage products. Check out some of our hottest ancillary plans featured below!

CANB CASH BENEFIT CANCER

The **CANB** Cash Benefit Cancer plan pays a one time, lump sum benefit of up to \$50,000 upon first diagnosis of cancer or malignant melanoma.

HSXC HOSPITAL & SURGICAL

Hospital Surgical plan **HSXC** features benefits of up to \$2,500 or \$7,500. Policyholders can choose a daily room benefit from \$60 to \$300 and receive room, surgical, anesthetic and private duty nurse benefits.

SMXC MEDICAL SURGICAL

There are two benefit plan selections with UA's surgical and medical expense policy **SMXC**. Coverage includes doctor treatments, consulting physician and physical exams, X-rays, lab services, radiotherapy and surgical expense.

ACCIDENT COMPENSATION PLAN UA-250

Plan UA-250 pays cash benefits to individuals who are injured accidentally. Lump sum payments of up to \$10,000 per accident or a hospital cash benefit of up to \$6,250 may be selected. This plan also includes an Accidental Death Benefit.

SSXC SURGICAL SUPPLEMENT

This plan is designed as a surgical expense safeguard to supplement existing coverage or serve as basic protection. The **SSXC** also offers three surgery benefit ranges.

Plans and benefits may vary by state.

* Not available if enrolled in Medicare

SHXC BASIC HOSPITAL

Our **SHXC** product pays up to 80% of eligible expenses for miscellaneous inpatient and outpatient care. It also pays 20 times the daily room benefit for miscellaneous inpatient hospital costs and up to \$200 per outpatient occurrence.

MMXC BASIC HOSPITAL

The **MMXC** provides hospital and surgical expense coverage for individuals and families of all ages.* It offers hospital room benefits for as long as two years and miscellaneous hospital expense benefits of 20 times the selected Daily Room Benefit. It also covers intensive care confinement, surgical expense, assistant surgeon, anesthetic administration, in hospital private duty registered nursing care and ambulance service.

HMXC HOSPITAL INSURANCE

With a choice of initial daily hospital indemnity benefits of \$30 to \$100, **HMXC** benefits double on the 61st day then redouble on the 121st day of each hospital confinement period. And there's no limit to the number of periods of hospital stays.

IN THE MARCH ISSUE OF THE UA NEWS, WE'LL INTRODUCE ANOTHER HOT NEW UNDERAGE PRODUCT THAT WILL MAKE YOUR SALES SIZZLE!
