Privacy Notice

This is a reminder that the form UI342N/UI342A R-2 **must be included with all new business applications for the following states:** *Arizona, California, Georgia, Illinois, Maryland, Montana, North Carolina, Oregon, Virginia* and *Wisconsin*. This Authorization to Obtain and Disclose Information form is divided into two parts — part UI342N stays with the insured, and UI342A R-2 accompanies the application — used with Underage health and life applications. This is not a new form, and is required because it explains customers' privacy options. Review all compliance sheets fully to be certain you have and are familiar with all required forms. Few things are more frustrating than finding out an otherwise good app has pended due to an oversight requiring an Agent to revisit an applicant.

Attn: North Dakota Agents

Effective **June 1, 2001**, ACF Partners[®] will be \$6.95 per month, per person for new business in *North Dakota*.

GSP Update

Effective **immediately**, mental illness has been added to the existing Chemical Dependency Rider on the **Good Sense Plan (GSP)** in *Missouri*. This rider has different benefits and rates. You can order updated rate cards by contacting Agent Supply at (800)285-3676.

United American's **Good Sense Plan (GSP)** has been approved in *South Carolina*. A special mailing has been sent to General Agents working in this state.

Attn: Missouri Agents

Effective **June 1, 2001**, United American will reduce the commission level on *Medicare Supplement Disability Plans* in *Missouri*. The new commission paid on this plan will be five percent.
