

# SALES OPPORTUNITIES

## Share The Strength Of UA!

Today, we are in the best part of United American's history. The market for our superior line of products has never been stronger and as a result sales will continue to climb. Are you taking full advantage of the opportunities UA offers? Here are just a few reasons why you should.

- **A broad product portfolio including Medicare Supplements, Long Term Care, Final Expense, Cancer and underage health.\***
- **Great new products like the Good Sense Plan and the RT85 Renewable Term Life Plan\***
- **New spins on existing plans — offering Short Term Nursing Home Care\* through UA's LTC Classic**
- **Unique customer perks like ACF and UA Partners where available**
- **Continued exposure through our incredible National Television Lead Campaign**
- **Incentives that include exciting trips and high commissions.**

*\*Plans and benefits may vary by state.*
