

Let The Luck Of the Irish Be Yours In — Dublin, Ireland

Tucked away just west of Europe, framed by water and dotted with mountains, is Ireland. For over a thousand years Ireland has maintained its picturesque village atmosphere, and held steadfast to its traditions, legends and folklore.

Dublin is a place where history and youth converge, creating an animated atmosphere where the people are as interesting to look at as the architecture. The streets of Dublin are always bustling with activity. And the many street-side cafes and pubs are rich with the mingled aroma of coffee and hops that seem to draw the crowds inside. But if the strongly scented air isn't enough to bring you in off the street then the local conversation will definitely do the trick.

Legend would have us believe, if we followed a rainbow to the end, we would find a pot of gold or perhaps a tiny man with a green suit and a sharp wit. Some, however, believe that if we were to follow that rainbow to the end, we would find a country, seemingly untouched by the modern world.

So, if you're ready to go in search of the end the rainbow, grab your lucky shamrock and we'll be on our way to our next Six Month Divisional Contest destination — Dublin, Ireland!
