

Bonjour Quebec!

United American is pleased to announce Quebec City will be the destination for the First Six Month's Divisional Contest. The winners of this contest will stay in the world-renowned *Chateau Frontenac* (pictured right), which defines the city's skyline and is the symbol of the city.

Overlooking the St. Lawrence River from atop Cape Diamant, Quebec City is the only fortified, or walled, city in North America. Quebec City has attracted visitors since it was founded by Samuel de Champlain in 1608.

Quebec City is the perfect place to relax. Take a walk through the charming streets and you will discover artisans' workshops, galleries, boutiques, and street performers with varied and dazzling talents. Quebec City may well be the North American capital of the gentle art of hanging out, the lost art of not being in a hurry.

With its rich history, Quebec City is a delightful blend of the New World with the Old. The people of Quebec are warm and friendly, full of energy and creativity to match their vast surroundings, and proudly attached to the language and culture that make them unique in many ways. Big-city sights, country resorts, fabulous shopping, world-renown restaurants — no matter what your pleasure, you are sure to find it Quebec City.
