

NEW YORK CITY

The City That Never Sleeps... The Capital of the World... The Empire City... The Melting Pot

No matter what you call it, it's simply the most exciting city in the world. The vastness and energy of New York is undeniable. Its massive skyscrapers, world-famous cultural facilities for art and music, spectacular restaurants, and amazing retail establishments all combine to create the city of which legends are made.

If you're a winner in the First Divisional Contest for 2005, your destination this October is *The Big Apple*. Headquarters for your three-day stay will be The Sheraton New York Hotel and Towers, a beautiful, 50-story hotel recently remodeled in Italian

marble and rich mahogany woods. It's just steps from Times Square, Rockefeller Center, Radio City Music Hall, Broadway, Carnegie Hall and Fifth Avenue shopping.

The best way to see the sights of New York is via the **All Loops Double Decker Bus Tour**. You'll have a two-day pass which will let you stop anywhere and everywhere – places like Little Italy, SoHo, Chinatown, the Empire State Building, and the Statue of Liberty.

Take a walking tour of Central Park, the largest public park in the world with 843 acres of water, lawn, and woodland. Spend

time exploring the 16.3 acres of The Lincoln Center for the Performing Arts. Absorb the beauty of The Guggenheim Museum, as much a work of art itself as the treasures it houses. Be amazed by the dinosaur halls in the American Museum of Natural History, or take a few moments to remember at the World Trade Center Memorial. Perhaps an afternoon with an espresso or a glass of wine at a Greenwich Village sidewalk cafe is more your style. However you choose to enjoy New York – sightseeing, exploring or just relaxing – it will be an amazing three days!

Empire State Building
