Paul Harvey Radio Ads Lead to New Prospects

“Congratulations United American! I just learned that the year 2000 was another record year and 2001 is projected to be even better. My hat goes off to you on a job well done.

I will continue making the phones ring with qualified leads and I know you will close those leads. Don't you love it when a good plan works? Thank you for the opportunity to be a part of your sales team. Together we will make sure 2001 is yet another record year!”
