Dear Sirs,

Can't recall at this time if I wrote you last year after my husband's death and thanked you for the excellent way you served us over all the years, so even if I did, then I will just thank you again. I'm so thankful we knew about your company and arranged to be covered by your policy. We never had to worry about insurance, and though my husband's health went downhill, you always honored every claim and very promptly.

I have been able to recommend your company several times and will continue to do so at every opportunity.

Again, thank you.

Sincerely,

S. Long

Dear Mr. McAndrew,

We have our supplemental insurance and long term care policies with your company. My wife passed away recently.

I am thankful we had our insurance with your company. Your company can be proud of the way they handled all of our claims. Thank you! I can assure you that I will recommend your company to my friends or anyone for any type of insurance your company handles.

You should also be commended on the selection of your agents. I want to thank them for all their assistance with our insurance needs.

You have a wonderful company, employees and agents to serve the needs of your policyholders. Please continue the wonderful work.

Sincerely,
