March 1, 2002

Hello, Americans ...

For three years you and I have been a team and United American confirms that we have been a winning team.

We have performed many constructive services on behalf of seniors -- helping them to understand changes in Medicare -- reassuring a whole generation that United American delivers quality products. I am proud of my partnership with United American and with you all.

My feedback mail includes so many nice notes about United American's customer service and most accolades mention some friendly diligent agent. Thank you for living up to my promises.

One thing more ... don't let the myopic "economists" rain on our parade. You and I and the rest of the team are headed onward and upward in 2002.

Sincerely,
