UA's updated recruiting manual is now available.

United American's Exclusive Agency Division Recruiting Manual is now updated and ready for you to use in your recruiting efforts. This useful tool contains important information such as Company background, lead programs, income opportunities, and incentives. It is sure to come in handy to all Managers attempting to meet the Exponential Network Recruiting goal of one hundred recruits in ten weeks!

A copy of the Recruiting Manual will be mailed to each Branch as soon as they are printed. Additional copies may be ordered through the Home Office as needed.

We'll see you at the top!
